Any person who has a qualifying disability as defined by the American With Disabilities Act that requires the meeting or materials at the meeting to be in an accessible location or format must contact: Lynn Niggemann, Administrator-Clerk-Treasurer, 613 Main Street, Colfax, WI (715) 962-3311 by 2:00 p.m. the Friday prior to the meeting so that any necessary arrangements can be made to accommodate each request.

It is possible that members of and possibly a quorum of members of the governmental bodies of the municipality may be in attendance at the above-stated meeting to gather information; no action will be taken by any governmental body at the above-stated meeting other than the governmental body specifically referred to above in this notice.

Regular Village Board Meeting – March 13, 2017

On March 13, 2017, the Village Board meeting was held at 7:00 p.m. at the Village Hall, 613 Main Street, Colfax, WI. Members present: Trustees Burcham, Rihn, Schieber, Wolff, Davis and Halpin. Excused: President Gunnufson. Trustee Halpin will chair the meeting. Others present included Gareth Shambeau and Lisa Flemming from Ayres & Associates, Public Works Director Bates, Administrator-Clerk-Treasurer Niggemann and LeAnn Ralph with the Messenger.

Public Appearances –none.

Minutes- Regular Board Meeting Minutes, February 27, 2017 - A motion was made by Trustee Rihn and seconded by Trustee Davis to approve both the February 27, 2017 Regular Board minutes. Voting For: Trustees Davis, Wolff, Schieber, Rihn, Burcham and Halpin. Voting Against: none. Motion carried.

Training Request – none.

Facility Rental – John Nelson, Northern WI Show Pig Circuit – Youth Swine Show – June 1-3, 2017 – Request for fee to be waived. A motion was made by trustee Schieber and seconded by Rihn to approve the use of the fairgrounds and waive the fee for the Northern WI Show Pig Circuit in June. Voting For: Trustee Burcham, Rihn, Schieber, Wolff, Davis and Halpin. Voting Against: none. Motion carried.

License – Kennel License- March 13, 2017 – December 31, 2017 – JoAnn Mayfield, 204 Viking Dr. A motion was made by Trustee Davis and seconded by Trustee Wolff to approve the kennel license for Mayfield for 2017. Voting For: Trustee Davis, Wolff, Schieber, Rihn, Burcham and Halpin. Voting Against: none. Motion carried.

Communications – Village President – none.

Third Ave. Project – Change Order – Shambeau explained the change order which included an additional \$1,375.53 for the additional stamped concrete that needed to be removed and additional \$2,623.15 for the Village request to increase driveway aprons to 8” of concrete. Total change order is \$3,998.68. A motion was made by Trustee Rihn and seconded by Trustee Wolff to approve the \$3,998.68 change order. Voting For: Trustee Burcham, Rihn, Schieber, Wolff, Davis and Halpin. Voting Against: none. Motion carried.

Third Ave. Project – Pay Request #3 – Shambeau explained that the contractor and the engineers have agreed on the quantities to be billed out. The unpaid balance is \$85,289.24; the retainer will be \$5,000 which will be held until the landscaping can be approved in the spring. A motion was made Trustee Rihn and seconded by Trustee Wolff to pay request number 3 to Haas Sons, Inc. in the amount of \$80,289.24. Voting For: Trustees Davis, Wolff, Schieber, Rihn, Burcham and Halpin. Voting Against: none. Motion carried.

Dunn County Highway – 2017 PASER Agreement – Possible Approval– Every two years the Wisconsin Department of Transportation requires municipalities to report a grade for each of

the streets in their municipality. This is a process that requires certification and must be submitted to the state. The Village has utilized the Dunn County Highway Department for this service in the past which includes submitting the information to the state. Administration recommends that we hire Dunn County Highway Department for this service for the 2017 term. A motion was made by Trustee Davis and seconded by Trustee Rihn to approve the 2017 contract with the Dunn County Highway Department. Voting For: Trustees Burcham, Rihn, Schieber, Wolff, Davis and Halpin. Voting Against: none. Motion carried.

Parks Committee Recommendations- Possible Action – The 2016 softball field projects had a total cost of \$26,370.93. In 2016 it was agreed that the Village would loan the Softball Association funds to complete the project over and above the \$8,500 that was budgeted for the lights project. The Softball Association also wanted to get the scoreboards purchased and installed in 2016. So the following criteria play a part in establishing the loan amount. The Village received payments of \$1,867.97 as a reimbursement for the original cost of the ballast for the lights and a \$2,500 contribution from Softball Association, \$1,500 from the Youth program as a contribution, the Village contribution of \$8,500. The project balance after the contributions are deducted is \$11,993.96. A motion was made by Trustee Wolff and seconded by Trustee Rihn to approve the Softball Association loan agreement in the amount of \$11,993.96 with a \$1,000 due on April 1st and another \$1,000 due on September 1st. The loan term will be six years beginning in 2017 with the last payment being September 1, 2022. Voting For: Trustees Burcham, Rihn, Schieber, Wolff, Davis and Halpin. Voting Against: none. Motion carried.

Other comments: Donations to the project include: Whitetail Organics – Trimming of tree lines and other miscellaneous work on the scoreboards, Anderson Bridges, poles for the scoreboards and the foul poles, Timber Technologies – poles for the netting. Advertising purchase from Kyle's Market and Wood Run, Field naming rights – Bremer Bank with annual payments of \$1,000. Bremer Bank also contributed \$756 from the customer appreciation donation box. Prince did not have the formal list, so this list may not be inclusive.

Review/Approval – Bills – February 27, 2017 – March 12, 2017 – A motion was made by Trustee Rihn and seconded by Trustee Schieber to approve the bills for February 27 to March 12, 2017. Voting For: Trustees Davis, Wolff, Schieber, Rihn, Burcham and Halpin. Voting Against: none. Motion carried.

Adjourn: A motion was made by Trustee Wolff and seconded by Trustee Rihn to adjourn the Village Board meeting at 7:29 p.m. A voice vote was taken with all members voting yes. Motion carried.

Mark Halpin, Chair - Trustee

Attest: Lynn Niggemann
Administrator-Clerk-Treasurer

Travel/Meeting Request Form

Name Timothy Rundle Position Laborer
 Date 4-11-17 Department Public Works
 Estimated costs 473.00
 Date(s) of meeting 4-11, 12, 13, 18, 19, 20 + May 2, 2017 Employee is not required to attend (circle one)
 Name of requested meeting Groundwater Supply + Distribution Cert.

How will this meeting improve your ability to perform your job?
Knowledge of groundwater will assist with the water department job. After test, Tim will be certified.
 What alternatives are there to attending this meeting? (In-house resources, literature review, participation in meetings closer to Eau Claire, etc.) na

How will you share what you have learned with others. By implementing learn information into job performance.

Please include any additional comments on the back of this form.

We Propose hereby to furnish material and labor – complete in accordance with above specifications for the sum of:

See Above Options

dollars (\$ See Options).

Payment to be made as follows:

Payment in full 10 days after completion of work.

1-1/2% interest per month on any unpaid balance.

AS REQUIRED BY THE WISCONSIN CONSTRUCTION LIEN LAW, BADGER STATE, INC. HEREBY NOTIFIES OWNER THAT PERSONS OR COMPANIES FURNISHING LABOR OR MATERIALS FOR THE CONSTRUCTION ON OWNER'S LAND MAY HAVE LIEN RIGHTS ON OWNER'S LAND OR BUILDINGS IF NOT PAID. THOSE ENTITLED TO LIEN RIGHTS, IN ADDITION TO BADGER STATE, INC., ARE THOSE WHO CONTRACT DIRECTLY WITH THE OWNER OR THOSE WHO GIVE THE OWNER NOTICE WITHIN (60) SIXTY DAYS AFTER THEY FIRST FURNISH LABOR OR MATERIAL FOR THE CONSTRUCTION. ACCORDINGLY, OWNER PROBABLY WILL RECEIVE NOTICE FROM THOSE WHO FURNISH LABOR OR MATERIALS FOR THE CONSTRUCTION AND SHOULD GIVE A COPY OF EACH NOTICE RECEIVED TO THE MORTGAGE LENDER, IF ANY. BADGER STATE, INC. AGREES TO COOPERATE WITH THE OWNER AND THE OWNER'S LENDER, IF ANY, TO SEE THAT ALL POTENTIAL LIEN CLAIMANTS ARE DULY PAID.

All material is guaranteed to be as specified. All work to be completed in a workmanlike manner according to standard practices. Any alteration or deviation from above specifications involving extra costs will be executed only upon written orders, and will become an extra charge over and above the estimate. All agreements contingent upon upon strikes, accidents or delays beyond our control. Owner to carry fire, tornado and other necessary insurance. Our workers are fully covered by Workmen's Compensation insurance.

As required by the Wisconsin construction lien law, claimant hereby notifies owner that persons or companies performing, furnishing, or procuring labor, services, materials, plans, or specifications for the construction on owner's land, may have lien rights on owner's land and buildings if not paid. Those entitled to lien rights, in addition to the undersigned claimant, are those who contract directly with the owner or those who give the owner notice within sixty (60) days after they first perform, furnish, or procure labor, services, materials, plans or specifications for the construction. Accordingly, owner will probably receive notices from those who perform, furnish, or procure labor, services, materials, plans, or specifications for the construction, and should give a copy of each notice received to the mortgage lender, if any. Claimant agrees to cooperate with the owner and the owner's lender, if any, to see that all potential lien claimants are duly paid.

Any alteration or deviation from above specifications, involving extra costs, will be executed only upon written orders, and will become an extra charge over and above the Estimate. All agreements contingent upon strikes, accidents or delays beyond our control. Owner to carry fire, tornado, and other necessary insurance upon above work. Workmens Compensation and Public Liability Insurance, on above work, to be taken out by H&H Plumbing, LLC.

Colfax Clerk Treasurer

From: Quam, Tyler - DOR <Tyler.Quam@revenue.wi.gov>
Sent: Friday, June 26, 2015 12:02 PM
To: Colfax Clerk Treasurer
Subject: Re: Village of Colfax question - temporary picnic licenses

Temporary "picnic" licenses are for short term gatherings, usually 3-4 days or less. A temporary "picnic" licenses should not be issued for a 6 month term.

However, the Association could apply for a 6 month regular Class "B" fermented malt beverage license. Per ss. 125.26(6), Class "B" licenses may be issued at any time for a period of 6 months in any calendar year, for which 50% of the license fee shall be paid. Such licenses are not renewable during the calendar year in which issued.

Good morning Tyler~

I had a visit from the Colfax Softball Association president today. He was inquiring about a Temporary Picnic license that he thought could be available for a possible 6 month period of time. They host softball tournaments, events at the softball field and generally get a picnic licenses for each event.

Please let me know if you need clarification. I appreciate any assistance you are able to give me.

part of the caterer's licensed premises, as described under sub. (3) in the caterer's Class "B" license, and even if the National Railroad Museum is not located within the municipality that issued the caterer's Class "B" license. A caterer that provides fermented malt beverages under this subsection is subject to s. 125.32 (2) as if the fermented malt beverages were provided on the caterer's Class "B" licensed premises. This subsection does not authorize the National Railroad Museum to sell fermented malt beverages at retail or to procure or stock fermented malt beverages for purposes of retail sale. This subsection does not apply if, at any time, the National Railroad Museum holds a Class "B" license.

(2w) Notwithstanding ss. 125.04 (3) (a) 3. and (9) and 125.09 (1), in addition to the authorization specified in sub. (1), a Class "B" license issued under this section to a caterer also authorizes the caterer to provide fermented malt beverages, including their retail sale, at the Heritage Hill state park during special events held at this park. Notwithstanding sub. (1), a caterer may provide fermented malt beverages under this subsection at any location at the Heritage Hill state park even though the Heritage Hill state park is not part of the caterer's licensed premises, as described under sub. (3) in the caterer's Class "B" license, and even if the Heritage Hill state park is not located within the municipality that issued the caterer's Class "B" license. A caterer that provides fermented malt beverages under this subsection is subject to s. 125.32 (2) as if the fermented malt beverages were provided on the caterer's Class "B" licensed premises. This subsection does not authorize the Heritage Hill state park to sell fermented malt beverages at retail or to procure or stock fermented malt beverages for purposes of retail sale. This subsection does not apply if, at any time, the Heritage Hill state park holds a Class "B" license.

(3) Class "B" licenses shall particularly describe the premises for which issued and are not transferable, except as provided in s. 125.04 (12). A Class "B" license is subject to revocation for violation of any of the terms or provisions thereof.

(3m) A municipality may issue a Class "B" license authorizing retail sales of fermented malt beverages on a railroad car while the railroad car is standing in a specified location in the municipality.

(4) The fee for a Class "B" license shall be determined by the municipal governing body issuing the license but the fee may not exceed \$100 per year. The fee for a license for less than 12 months shall be prorated according to the number of months or fraction thereof for which the license is issued.

(5) Class "B" licenses may be issued at any time for a period of 6 months in any calendar year, for which 50% of the license fee shall be paid. Such licenses are not renewable during the calendar year in which issued.

\$50 is 50% of class "B"

(6) Temporary Class "B" licenses may be issued to bona fide clubs, to county or local fair associations or agricultural societies, to churches, lodges or societies that have been in existence for at least 6 months before the date of application and to posts of veterans organizations authorizing the sale of fermented malt beverages at a particular picnic or similar gathering, at a meeting of the post, or during a fair conducted by the fair association or agricultural society. The amount of the fee for the license shall be determined by the municipal governing body issuing the license but may not exceed \$10. An official or body authorized by a municipal governing body to issue temporary Class "B" licenses may, upon issuance of any temporary Class "B" license, authorize the licensee to permit underage persons to be on the premises for which the license is issued. A license issued to a county or district fair licenses the entire fairgrounds where the fair is being conducted and all persons engaging in retail sales of fermented malt beverages from leased stands on the fairgrounds. The county or district fair to which the license is issued may lease stands on the fairgrounds to persons who may engage in retail sales of fermented malt beverages from the stands while the fair is being held. A municipal governing body may issue a temporary Class "B" license for premises that are covered by a "Class B" permit issued under s. 125.51 (5) (b) 2. if the applicant meets the requirements of this subsection. If a license is issued under this

subsection to a fair association solely for the purpose of conducting on the licensed premises fermented malt beverages judging or tasting events involving servings of fermented malt beverages no greater than one fluid ounce each, s. 125.32 (2) does not apply to these licensed premises.

Zoning Board of Appeals Public Hearing – March 6, 2017

On March 6, 2017, the Zoning Board of Appeals Public Hearing was held at 7:00 p.m. at the Village Hall, 613 Main Street, Colfax, WI. Members present: Gene Gibson, Mark Mosey, Rich Bautch, Jason Johnson. Excused: Mike Kiekhafer. Others present included George Richards, Peggy Richards, and LeAnn Ralph with the Messenger and Administrator-Clerk-Treasurer Niggemann.

Public Appearances-none.

Due to the chair being absent. First order of business was to elect a chair for the meeting. A motion was made by Gibson and seconded by Johnson to appoint Mosey as the chair for the Zoning Board of Appeals meeting in Kiekhafer's absence. A voice vote was taken with all members voting yes and Mosey accepted. Motion carried.

The meeting was called to order by Mosey. Roll Call was taken as listed above. It was noted that there were no public appearances.

Open Public Hearing – Conditional Use Permit Request –George Richards – A motion was made by Mosey and seconded by Gibson to open the Public Hearing. A voice vote was taken with all members voting yes. Motion carried.

Committee gave Richards a chance to explain his request. He would like to operate his gunsmith shop from his hobby garage at his residence. He will not be selling guns, just working on guns. There will not be any signs. Hours will be based on scheduled appointments. Niggemann explained the information in the packet shows the location of the property, zoning, photos of the building, memo from the property owner acknowledging that Richards may be operating his gunsmith shop from the residence. No concerns were mentioned.

Committee asked questions for Mr. Richards.

Will there be any reloading of ammunition? Richards responded that he only reloads some for himself. His license allows for reloading, but he would need different insurance in order to reload for others. He has chosen not to do that.

Have the adjoining property owners expressed any concerns? Richards has not had any concerns brought to his attention. Gibson also pointed out that there are no residents present to agree or disagree with Richard's intent.

What is the amount of business expected? Richards gets one to three customers per day, but most appointments are schedules. The hours listed on the federal application are listed for inspection purposes. Records must be kept for any and all gun repairs that Richards works on. Owner name, repairs, serial number of gun must be recorded in his book and available if inspected. Richards will be installing a security system if the conditional use permit is approved.

All shooting/testing of firearms will occur at the gun range.

Johnson mentioned that the zoning code states that a conditional use permit can be issued to the home or an attached garage. Can the Zoning Board of Appeals approve the location if the building is detached? The Zoning Board of Appeals is also the granting authority for the variance to operate in a detached structure, the motion shall include it and be acceptable, if approved.

Close Public Hearing – A motion was made by Johnson and seconded by Gibson to close the public hearing. Voting For: Gibson, Bautch, Johnson, Mosey. Voting Against: none. Motion carried.

Discussion of public comments and consideration of variance request approval or denial – Bautch went and looked at the property. The neighbors are not very close on Dunn Street and there are not many houses around. Bautch feels that the location is very fitting for the Richards business. Discussion also stated that Richards has been working on guns since 1974, he has the proper Federal licenses, he seems very responsible and he displays all the proper permits at his current business location. If Richards moved after a conditional permit was issued, the current conditional use permit would cease and Richards would need to reapply for another location through the Zoning Board of Appeals.

A motion was made by Gibson and seconded by Mosey to grant approval to George Richards, operating as G & P Enterprises, for a conditional use permit to conduct gunsmithing at the location 101 Dunn Street, Colfax, WI in the detached garage at the residence. Voting For: Gibson, Bautch, Johnson and Mosey. Voting Against: none. Motion carried.

Adjourn: A motion was made by Mosey and seconded by Bautch to adjourn the Zoning Board of Appeals meeting 7:24 p.m. A voice vote was taken with all members voting yes. Motion carried.

Parks Committee Meeting
March 13, 2017
5:30 p.m.

The Village of Colfax Parks Committee met on March 13, 2017 at 5:30 p.m. at the Village Hall.

Members present: Chair Halpin and Trustee Davis. Excused: President Gunnufson. Also present: Anne Schieber, Keith Burcham, Jeff Prince-Softball Association, LeAnn Ralph, Public Works Director Bates and Administrator-Clerk-Treasurer Niggemann.

Tom Prince Memorial Park

Hydro-Seed softball Fields – There is a four to five foot stripe that needs to be seeded. The Public Works stripped the mound of dirt last fall to prep for black dirt and seed as soon as possible this spring. ABreeze Construction has estimated the cost to Hydro-Seed to be \$850.

Roof of the Concession Stand/Warming Building – Jeff Prince asked Casey Rihn and Solomon Plank last fall if they would be interested in donating their labor to redo the roof of the concession stand and warming shed in return for advertising on the fields. They did express interest. Jeff will touch base with them to see if they are still interested in this opportunity. The estimates from the fall of 2016 for the installation of exposed faster steel roof system directly over the existing shingle roof of concession stand building and eave trim were from Glen Schindler Construction at \$5,400 and Rihn Construction at \$5,580. This item will be tabled until Prince gets back in touch with Rihn & Plank.

Concession Stand Use/Sales – Prince will reach back out to the 4-H group. They expressed interest in doing concessions for the youth baseball. The Softball Association is interested in having concessions during the League games, but they do not have a plan or any interest confirmed at this time. They will continue to work on this.

Fence around the light pole – The July 2016 estimate from Hayworth was \$627 for an estimated 20 feet around the pole and 4 feet high. Prince will get an updated fence at least 6 feet high.

Netting for the scoreboards – Prince explained that in August of 2016, the Softball Association realized that they should install netting in front of the scoreboards to protect them from damage by the softballs and baseballs. To get something up before the tournament, the poles and nets were installed without concrete. This spring the Softball Association and Village employees will re-do the poles and nets to make them more secure. Timber Technologies has donated the poles for the portion of the project. The Softball Association will also be checking prices on a 60' x 80' sun shade. They would be interested in the siren pole if the Village finds a crane to take it down for a reasonable cost to be one of the supporting beams. They want to make sure that the sun shade looks professional.

Bleaches/Dugouts – The 4-H group has the seat planks and hand-rails about ninety percent complete. The final step is to paint them to match the rest of the bleachers. The Softball Association would like to build dugouts in the future that would consist of possibly a four foot high half cement wall.

Key Agreements – The key agreements will work the same as they did in 2016. April 1st check out can begin and October 1st is the return date. The Village would like to get a list of acceptable people to receive keys so that we are not giving keys to unauthorized personnel. This list should include the Youth baseball, the Softball Association, field keepers and any organizations authorized for the concession stands.

Building Rental – Prince explained that the Softball Association rents out the Baseball fields for tournaments at a cost of \$175 for the weekend. Graduation parties are generally \$25 to \$50. Benefits usually get the fee waived. Prince also explained that the Village had given the Tom Prince Memorial Park scheduling to them due to the fact that any event that sells alcohol will need to have a license under an organized club. With the Softball Association scheduling, the issues that pertain to the alcohol licensing are minimal. The committee just reminded the Softball Association that they should get an application process for scheduling at concessions and keep in mind the Village fee schedules.

Any Other Business – Six month license can be discussed at the next Parks Committee meeting. The service box at the Tom Prince Memorial Park is in need of repair. This is something that LBR Electric has looked at and the cost would be minimal.

Softball Association Loan for the Lights and Scoreboards – The total cost of the project was \$26,370.93. Payments that were already deducted from the total include \$1,867.97 reimbursement from Softball Association, \$2,500 project contribution, \$1,500 Youth program contribution, Village contribution \$8,500. The project balance is \$11,993.96 which would be the loan balance. A motion was made by Halpin and seconded by Davis to recommend the Softball Association loan agreement with changes to include the payment due date should get changed from July to September and add the option to make additional payments at any time. Voting For: Davis and Halpin. Motion carried.

Other comments: Donations to the project include: Whitetail Organics – Trimming of tree lines and other miscellaneous work on the scoreboards, Anderson Bridges, poles for the scoreboards and the foul poles, Timber Technologies – poles for the netting. Advertising purchase from Kyle's Market and Wood Run, Field naming writes – Bremer Bank with annual payments of \$1,000. Bremer Bank also contributed \$756 from the customer appreciation donation box. Prince did not have the formal list, so this list may not be inclusive.

Parks

Playgrounds/weeds – Halpin had a request to have signs posted when/if the Public Works will be spraying any chemicals on the weeds at the parks. Bates explained that they will use a vinegar solution to kill weeds and then they use a tiller to pull the weeds out. The Public Works Department plans to stay on top of the weeds this year. In 2016 the seasonal staff took another job on July 2 which caused the weeding at the parks to get behind.

Processes/Schedules for cleanup – The garbage and bathrooms will be checked daily.

Cemetery

Spreading Garden – A map of the space was included in the packet. The current vision looks something like a blue granite type of path through the middle with two stone benches placed in the middle of each of the two halves. The space would be fenced in and include landscaping that would be low maintenance. There could also be a possible display which would allow for the names and date of birth and date of death to be displayed for anyone spread in the garden. The Committee wondered if the design and planting of landscaping items could be done by someone from Mark Mosey's class. Niggemann will be in contact with Mosey.

Other discussions included: Should there be limit of 2 tablespoons to be spread in the garden? Should there be a permit process? Fees charged? \$50 to \$100 to cover the cost of having a 2" x 3" plate created, etc. These items will be discussed more at a future meeting due to time.

Adjourn: A motion was made by Davis and seconded by Halpin to adjourn the Parks Committee meeting at 6:57 p.m. A voice vote was taken with all members voting yes. Motion carried.

Mark Halpin, Trustee

Parks Committee Meeting
March 20, 2017
5:30 p.m.

The Village of Colfax Parks Committee met on March 20, 2017 at 5:30 p.m. at the Village Hall. Members present: Chair Halpin, Trustee Davis and President Gunnufson. Also present: Pat Eggert, Mark Mosey, Jeff Prince-Softball Association, and LeAnn Ralph with the Messenger, Public Works Director Bates and Administrator-Clerk-Treasurer Niggemann.

Cemetery

Spreading Garden – Niggemann explained a vision which has been briefly discussed as a possible design for the spreading garden which included a blue granite type path through the middle with two stone benches placed in the middle of each of the two halves. The space would be fenced in and include landscaping that would be low maintenance. There could also be a possible display which would allow for the names and date of birth and date of death to be displayed for anyone spread in the garden. Mark Mosey expressed that Brianna Buchanan, a grad student in Ms. Neuberg's class has a landscaping project which would allow her to design and present a draft to the Parks Committee. Once there is an approved design, Mosey thought that one of his classes could most likely help in getting the project complete. A motion was made by Gunnufson and seconded by Davis to have Mosey present the project to Ms. Neuberg and Ms. Buchanan to see if the project will fulfill the class requirement. Voting For: Gunnufson, Davis and Halpin. Voting Against: none. Motion carried: none.

Any additional ideas on fees/regulations – Niggemann will reach out to Dan Duffenbach in regards to whether he is familiar with any fees or regulations in surrounding communities for spreading gardens.

Fence at the entrance of cemetery – The fence at the front of the cemetery is in need of some repairs. The thought is that the picket points be cut flat and the fence should be repainted. Mosey mentioned that he could ask Buchholz, who teaches the woods class, if this would be a project that he might be interested in. Mosey will be in touch with Niggemann.

Parks

Tom Prince Memorial Park – 6 month license – The Colfax Softball Association would like the Board to consider issuing a 6 month Class "B" license to them for the summer events. The license would allow the club to have six licensed operators, the Board members and each league representative. This allows the Softball Association more flexibility and more availability for tournament workers. The State of Wisconsin allows this with established organizations/clubs. A motion was made by Gunnufson and seconded by Davis to recommend to the Village Board approval of the six month Class "B" licenses on a case by case basis. Voting For: Davis, Gunnufson and Halpin. Voting Against: none. Motion carried.

Rihn Construction provided an estimate with the labor broken out for the concessions and the warming shed. The concessions would be materials of \$3,680 and the warming shed would be \$1,285. Prince will discuss the Village doing a direct purchase to reduce the cost by the sales tax.

Tower Park

Tree trimming- Pat Eggert, representing the Women's Club, mentioned that they would prefer that the Basswood tree to be trimmed in the fall. The Arborist mentioned that trimming a tree is considered an injury and the tree is most likely still trying to repair from the construction disturbance. It would be healthier to wait until the fall to see if there are any branches that were not able to withstand the construction prior to trimming the tree. Eggert would like the Village to consider holding off on the tree trimming. The Women's Club would then be able to work this summer on raising money to assist with cost to hire an arborist to consult and trim the tree later this year.

The Committee felt that the Eggert's request was reasonable and the Village will hold off on any tree trimming in Tower Park.

Grass – ABreeze Construction will be stopping in the spring to consult the Village on restoring the grass in Tower Park.

Gazebo Roof – After the Basswood tree discussion, it is reasonable to hold off on doing any repairs to the gazebo roof until 2018 after the tree is evaluated.

Iverson Park – Bates is working on keeping the parks wood vegetation removed. Bates also mentioned that there is a birdhouse at the bottom of the hill near the creek. The birdhouse is in terrible shape and needs repairs or should come down. Bates is not sure if the birdhouse was installed by someone that should be contacted of repairs needed or if it is something that the Village can assume responsibility of. Niggemann will contact Mark Mosey to see if he is aware of how the birdhouse came to be.

The walking trail and foot bridges were brought up. This is a project that the Village is still considering, but we are only in the planning stages and hope to continue moving forward on this project.

Stuart Park – Bates indicated that the entry washes away each year. Gravel will be added as needed to keep the entry suitable for an entrance.

Fairgrounds – Bates plans to seed the area where the drain was installed in 2016. The area between the driveway by the bathrooms and the water drain has been used as a parking area. Bates plans to install posts to deter people from parking in that space. There is some normal maintenance such as tree trimming and grating to be done.

Other discussion items included camping, electric at the beer tent, recommend camping by the water, get pricing for the roof of the silver building and new costs for beer tent fencing. In 2018, the Village should plan to get costs to redo the siding of the silver building. The 1898 Fire Bell is currently being stored at Mike Morgen's shop. The Village should start thinking of location for the Bell. Bates is going to get a cost to redo the bell in hopes that it can be displayed at one of the parks, possibly the Fairgrounds.

JD Simons Memorial Park

Steps – The steps should be looked at and repairs made if they are becoming difficult to walk up and down. The steps are believed to have been installed by Mark Mosey's class originally.

Tree clean up – the trail needs to be cleaned of the fallen trees from all the wind that we have had.

Concessions – Prince mentioned that the Colfax Softball Association is looking into purchasing a pop machine which would be stocked and taken care of by their Association. If the concessions are open, they would be able to secure the machine to require purchases from the concessions.

Any other Park business – Tony Braaten currently works for the Village as a season employee. He handles everything with the cemetery and has been doing the majority of the lawn mowing throughout the Village. During a meeting with Bates and Niggemann, he has given the Village notice that he would prefer to just continue taking care of the Cemetery. He will work with the Village until we find someone to replace him for the mowing. Bates and Niggemann will begin to search for a replacement.

Adjourn: A motion was made by Davis and seconded by Gunnufson to adjourn the Parks Committee meeting at 6:50 p.m. A voice vote was taken with all members voting yes. Motion carried.

Mark Halpin, Trustee

Public Property Committee Meeting
March 20, 2017
7:00 p.m.

The Village of Colfax Public Property Committee met on March 20, 2017 at 7:00 p.m. at Village Hall. Members present were Chair Wolff, Trustees Schieber and President Gunnufson. Others present Director of Public Works Bates, Administrator-Clerk-Treasurer Niggemann and LeAnn Ralph with the Messenger.

Salt Shed Discussion – Possible Recommendation to the Board –

Take Down/Location of Salt Shed/Cost- The salt shed was not taken down in 2016 because it was determined that the parcel of land was never recorded in the Village of Colfax's name. That has been resolved and the County of Dunn has deed the property to the Village. The other item that needs to be determined is where the location of a new salt shed should be. Due to the safety concerns, the committee would like the salt shed to be taken down before the parks begin to be used more frequently this spring. Bates feels that the best location for the salt shed would be at the lift station. This is a possible future location of a Public Works building. The costs are as follows: Structures Unlimited, LLC estimate for a 30' x 50' long FR fabric structure is \$15,590 and Nellessen Concrete estimate for the slab floor is \$15,250 to total approximately \$30,840. If the Village auctions off the parcel of land that the current salt shed is located, the cost of the salt shed would be reduced by whatever that cost of the land would be. The committee has also requested that Rand bring some additional quotes with regular roof vs. the fabric roof. Niggemann will verify the funds that were budgeted in 2017 and prior for a new salt shed.

A motion was made by Gunnufson and seconded by Schieber to recommend to the Board to have the salt shed taken down as soon as T & R Recycling is able to schedule it. Voting For: Schieber, Gunnufson and Wolff. Voting Against: none. Motion carried.

A motion was made by Gunnufson and seconded by Schieber to recommend to the Board to approve the location of a new salt shed to be at the lift station. Voting For: Gunnufson, Schieber and Wolff. Voting Against: none. Motion carried.

Any other business – Bates mentioned that there are some shingles from Well House #3 that were found on the ground. Public Works will be determining if there are any repairs needed.

A motion was made by Gunnufson and seconded by Schieber to adjourn the Public Property Committee Meeting at 7:31 p.m. A voice vote showed all present voting yes. Meeting adjourned.

Administrator-Clerk-Treasurer Report

March 24, 2017

Health Care Facility – Marshfield Clinic is not interested at the current time to come to Colfax. Don Knutson and I have met with Jill Gengler. Don is making contacts with other medical facilities to see if there is any interest in expanding to Colfax. No additional news to report at this time.

Audit – The audit is still in progress through emails, etc. The PSC report is due March 31, 2017 and the Form C report is due by May 1st. Those two reports are the auditors priority.

2017 Elections

The expected turn out for the April 4 election is forty percent. The Village of Colfax has approximately 650 register voters. 260 voters would be the expected turnout.

Special Election Dates:

March 15, 2017 – Absentee Voting begins in the Clerk's Office

March 29, 2017 - Public Test of the Equipment at 9:30 am and Election Officer training

March 30, 2017 – Nursing Home Voting at 1:00 p.m.

April 4, 2017 – Spring Election 7 a.m. to 8 p.m.

Things to notice, the last Village Board meeting with the current Village President will be by April 10th. Then on TUESDAY, April 11th, the Board will meet for an Organization meeting with the new Village President and any trustees. Currently there are no new trustees running, but anyone wishing to run as a write-in has the ability to register until noon on Friday, March 31, 2017.

PSC application for Non-Routine Meter Replacement – Randy and I have drafted responses and will be submitting the responses the week of March 27, 2017.

Sweeping Bid Documents – Deadline is March 27, 2017 at 10 a.m. – This information will be tabulated Monday and reported at the Board meeting at 7 p.m.

Carpet Install at Village Hall – Scheduled for April 18 and 19, 2017.

It was a really busy two weeks.

For Immediate Release

March 23, 2017

Wisconsin's Tornado & Severe Weather Awareness Week April 17-21, 2017

(MADISON) – Schools, businesses, families, and individuals have two opportunities to test their emergency plans during statewide tornado drills on April 20, 2017. The drills are part of the annual spring severe weather campaign to encourage everyone in Wisconsin to be ready for possible tornadoes and severe weather.

Governor Walker has declared April 17-21, 2017 as Wisconsin's Tornado & Severe Weather Awareness Week. Wisconsin Emergency Management, the National Weather Service (NWS) and the Wisconsin Broadcasters Association (WBA) have once again teamed up to sponsor the statewide tornado drills scheduled for Thursday, April 20.

On April 20th, a mock tornado watch will be issued at 1:00 p.m. followed by a statewide mock tornado warning at 1:45 p.m. Many radio and TV stations across the state will issue the test tornado warnings. In addition, mock alerts will be issued on NOAA Weather Radios and many communities will sound their tornado sirens to test their emergency severe weather plans. Later, a mock tornado warning will be issued at 6:45 p.m. to give families and second shift workers a chance to practice their emergency plans.

According to the NWS, Wisconsin averages 23 tornadoes annually. Last year, there were 16 tornado touchdowns in the state. All of the tornadoes were either an EF0 or EF1. However, it's not a question of if we will have a violent storm, it's a matter of when.

The tornado drill will take place even if the sky is cloudy, dark and or rainy. If actual severe storms are expected in the state on Thursday, April 20, the tornado drills will be postponed until Friday, April 21 with the same times. If severe storms are possible Friday, the drills will be cancelled.

Any changes will be issued to local media as well as posted on the ReadyWisconsin website at <http://readywisconsin.wi.gov>. Updates will also be posted on Facebook (www.facebook.com/ReadyWisconsin), Twitter (www.twitter.com/ReadyWisconsin), and Instagram (www.instagram.com/ReadyWisconsin).
