Consideration Items

Snowmobile Trail Discussion – possible action – Buchner explained that there is interest in the snowmobile trail crossing Highway 40 from the Cenex parking lot to Legion Drive, the alley and to the Outhouse Bar. There was discussion regarding the topic. Niggemann stated that the main concern is the fact that Hwy 40 is a state highway and state statute 350.02 (2)(a)(1) which states that no person may operate a snowmobile on any highway except in the following manner or as otherwise authorized by law: Directly across any roadway having fewer than 5 lanes, but only after stopping and yielding the right-of-way to all vehicles approaching on the roadway. Crossings under this subdivision may be made only at a place where no obstruction prevents a quick and safe crossing. For purposes of this subdivision, “obstruction” includes but is not limited to impairment of view and dangerous roadway condition. Niggemann also noted that Police Chief Anderson was unavailable to express his thoughts and/or concerns about the topic. Niggemann presented two possible trails, the first one is the direct route from the Cenex parking lot as indicated above, the second would be to take the alley south, however there would be several property owners that would need to grant permission and it would be a long route around. Buchner expressed concerns about the second option regarding the length of the trail to get to the gas stations. The Board asked Niggemann to confirm the ownership of Legion Drive from Highway 40 to the alley. A motion was by President Gunnufson and seconded by Trustee Halpin to table the snowmobile discussion until the next meeting. Voting For: Trustees Halpin, Davis, Jenson, M. Burcham and Gunnufson. Voting Against: none. Motion carried.

Health Insurance Update/Review – Niggemann explained that the prices received from Amanda Webb with Kado and Associates resulted in very little cost savings and the lowest priced plan was facility specific. Niggemann feels that the Village should renew with the option offered by WEA Trust to increase deductibles from \$3,000/\$6,000 to \$4,000/\$8,000. This would be a 11 percent increase, but WEA Trust will discount the monthly premium by 2.7 percent by using the fund balance to bring the increase to approximately an eight percent increase. A motion was made by Trustee Halpin and seconded by Trustee M. Burcham to approve the health insurance renewal option 2 effective for January 1, 2020. Voting For: Trustees Halpin, Davis, Jenson, M. Burcham and Gunnufson.

Review/Approval – Bills – November 12th, 2019 to November 24th, 2019 – A motion was made by Trustee Davis and seconded by Trustee M. Burcham to approve the bills for November 12th, 2019 to November 24th, 2019. Voting For: Trustees M. Burcham, Jenson, K. Burcham, Davis, Halpin and Gunnufson. Voting Against: none. Motion carried.

A motion was made by President Gunnufson and seconded by Trustee Jenson to move item 11 Committee/Department Reports, Administrator-Clerk-Treasurer Report before the closed session portion of the meeting. A voice vote was taken with all Board members voting yes. Motion carried.

Closed Session – A motion was made by Trustee Davis and seconded by Trustee Halpin to convene into closed session pursuant to WI Statutes 19.85(1)(e) Deliberating or negotiating the purchasing of public properties, the investing of public funds, or conducting other specified public business, whenever competitive or bargaining reasons require a closed session at 7:34 p.m. Voting For: Trustees M. Burcham Jenson, K. Burcham, Davis, Halpin and Gunnufson. Voting Against: none. Motion carried.

Open Session – Open session began at 9:48 p.m.

President Gunnufson announced that no action or vote was taken on the closed session material.

Adjourn – A motion was made by Trustee Haplin and seconded by Trustee M. Burcham to adjourn the meeting at 9:50 p.m. A voice vote was taken, and all members voted in favor to adjourn. Motion carried.

2020 Budget Review /Approval – The public notice reflected the levy amount of \$468,000 with the total expenses and revenues at \$1,200,239. The revenue and expenses for the Colfax Rescue Squad, Water Utility and Sewer Utility were published at the following amounts respectively \$414,023, \$272,490 and \$202,800.

Niggemann provided a chart for review by the Board to assist with the budget discussions. The chart reflected the apportioned levy for each jurisdiction with the Village of Colfax at \$468,000. Gunnufson explained that the Village of Colfax tax rate is driven by factors other than just the Village. The Colfax School District, Dunn County and Chippewa Valley Technical College also levy taxes through the Village tax bill. For the 2019 tax year payable in 2020; the County and the School District both had substantial increases from the prior year. The Village Board worked very hard to cut the budget by \$32,000 to assist in keeping the tax bill as low as possible, trying very hard to not have a tax increase.

A motion was made by President Gunnufson and seconded by M. Burcham to approve the 2020 General Fund Budget with revenues and expenses at \$1,200,239. Voting For: Trustees M. Burcham, Jenson, K. Burcham, Davis, Halpin and Gunnufson. Voting Against: none. Motion carried.

Re: Trustee Vacancy

Village Board Members,

Please accept this document as my letter of interest for the vacant Trustee position for the Village of Colfax. I am interested in serving on the Village Board because I have lived in Colfax for most of my life and would like to become more involved in the community. As a new member of the Planning Commission, I enjoyed meeting with other committee members over the summer to discuss the East View Development and provide recommendations to the Board. I would like to become more involved on a regular basis and provide input on other matters such as budget planning and tax rates, public works and infrastructure projects, village services, and elections/voting, to name a few.

Earlier this year I moved back to the area after attending school and working in Minnesota for several years. While in Minnesota I worked as a research analyst at a public college as well as a small business, and I currently work as an inventory analyst for Rust-Oleum in Eau Claire. Since returning to Colfax and purchasing property in the Village, I have become more attentive to the role of local government and want to contribute to the decisions that have a direct effect on residents, homeowners, businesses, and visitors. I also believe that with political polarization, ineptitude and gridlock ever-present at higher levels of government, local governments are in the best position to serve the interests of the average person. I am confident that my background and perspective will be an asset to the board and look forward to making positive contributions to the community in the role of Trustee.

Thank you for your consideration.

Sincerely,

Logan Michels

RE: Email dated 11/27/2019

Mr. Scofield,

The Village of Colfax has received your email with the three attachments containing an invoice and two photos of your vehicles. I have attached the Wisconsin State Statute 86.105 in regards to snow removal in private driveways below.

86.105 Snow removal in private driveways. The governing body of any county, town, city or village may enter into contracts to remove snow from private roads and driveways.

This section must be construed to include restrictions in 50 Atty. Gen. 98. Plowing of private parking lots is not authorized. 67 Atty. Gen. 304.

As indicated in the statute, snow removal in private driveways is a service that would be purchased by contract with municipalities. The Village of Colfax does not have any record that there is a contract for services with you, Mr. Robert Scofield or your landlord, Mr. and/or Mrs. Tom Larrabee. And to my knowledge, the Village of Colfax does not offer this service.

With all due respect, your email, invoice and photos will be presented to the Village Board on Monday, December 9, 2019 at the Board meeting at 7:00 p.m. This item has been placed onto the agenda as a request for payment. The Board will approve or deny the payment that evening. You are welcome to attend the public meeting.

Sincerely,

Lynn M. Niggemann

From: Robert Scofield

Subject: Village snow removal

To whom it may concern:

On the night of 11/27/2019 it snowed approximately 6 to 8 inches. I woke to ready our car to drive to work and found all of our vehicles were buried in a mound of snow put there by the folks tasked by the village to clear the roads. We were unable to exit the driveway. This practice of shoveling the snow into peoples driveways is grossly unacceptable and will not be tolerated. I don't expect other people to do my work and I do not make it a habit of doing other peoples work. As is yours my time is valuable and do not wish to squander it cleaning other workers mess.

By the very definition of the job (snow removal) these people are tasked to remove the snow not just push their work off onto the people that live in the village into their driveways this is unacceptable.

My wife recently purchased a new vehicle and as you can see by the attached photo the plow man pushed the snow bank into the new car. So much so it knocked the snow off the hood. I will have the vehicle inspected and if any repairs are necessary will forward any bills in regards to your office.

I am forwarding an invoice for my time for said snow removal. Payment is expected within 14 days.

Moving forward please instruct train your plowman on proper safe snow removal techniques so as to avoid another incident such as this.

If you would like to discuss this matter I can be reached at 715-440-4206 or reply of this email.

Thank you for your time
Respectfully

Robert Scofield

Hello Lynn,

We are working on getting signage made for 301 Bremer Ave. Would the village of Colfax be ok with having "Welcome to Colfax" on the sign as you enter town and "Thanks for visiting" on the North side of the sign as you leave town?

If there is an issue with this, we will put something else on it. Please get back to me when you can.

thanks

John Scharlau

WEA Trust will offer a 3 percent discount each month which will come from their Health Insurance Fund Balance. With that being said, the 3% savings can go towards the H.S.A. The 3% discount will be approximately \$3,900.

H.S.A.

- 1) Will the Employer contribute to the Employee H.S.A.?
- 2) How much?
- 3) How often? Monthly after the month of service is earned and the amount can be pro-rated if there is a termination of employment?
Or One -time contribution?

Health Insurance Stipend

- * During 2019 employees that are eligible for insurance and have not elected coverage; were receiving a health stipend of \$1,000, equivalent to the H.S.A. contribution. Right now this includes 2- EMT's that are 30 hour employees, 1- 40 hour EMT and 1- 40 hour Police.
- * Thoughts - The employees receiving this love it.
However the Rescue Squad gets hit the hardest at \$3,000. Police-\$1,000, potentially \$2,000.
- * I have mixed feelings regarding the health stipend. I feel that the employees are getting coverage elsewhere and that is why they are waiving coverage. However, they could elect to have a secondary insurance and the cost to the village would be between \$7,000 and \$17,000 per year per person. The employee would have a cost also of \$800 and \$2000.
the employee would gain \$200 a year by signing onto a single plan and getting the H.S.A. contribution.

CRS Notes:

- November Training was Reportable Patient's "Mandatory Reporting" by Lisa Field N.P. SHH.
- December Training Case Reviews and Holiday Celebration.
- Don attended a meeting at Sacred Heart to plan next year's training.
- During vacation, Don taught Stop the Bleed to Colfax 7th and 8th grade health classes using the Regional Trauma Association's Simulators.
- Dunn County Energy Assistance used CRS meeting room and office on November 26, to assist area residents with energy needs they may have.
- CRS had a 9-year-old lock fail it would not open entering or leaving the building. I purchased a much cheaper lock through Amazon it is a biometric lock and programmable. Instead of a \$1,000.00 lock it was \$150.00 with a gateway so if any other locks fail (2 other locks are the same age, 1 replaced 2 years ago with the same problem) they can be programmed in unison with this lock. This lock has a 1-year warranty. Don installed the lock avoiding a locksmith.
- In November we completed N95 fit testing which OSHA requires yearly. We are 1/10th owner of the fit testing machine.

Most people have seen someone take a nasty spill on slippery winter ground. You may have even been the victim of it yourself. Whether it's nearly invisible ice on your front porch steps, or that deceitful greasy floor surface near an entrance to the outside world that could double as a hockey rink, the possibilities of winding up on your rear more than your feet this winter seem endless.

Follow these 10 tips to make sure you're staying safe when walking around in snowy and icy conditions:

1. Walk slowly and carefully. Wear boots or other slip-resistant footwear.
2. Use special care when getting in and out of vehicles. Use the vehicle for support if you need to do so.
3. Watch for slippery floors when you enter any building or home.
4. Try to avoid carrying items, or walking with your hands in your pockets; this can reduce your ability to catch yourself if you lose your balance. Instead, carry a backpack if you have one.
5. Watch out for black ice.
6. Tap your foot on potentially slick areas to see if the areas are slippery.
7. Walk as flat-footed as possible in very icy areas.
8. Avoid uneven surfaces if possible. Avoid steps or curbs with ice on them.
9. Report any untreated surfaces to Maintenance and Facilities. Help us keep you safe!
10. Remember: Ice and snow mean "take it slow!"
