9. Committee/Department Reports – (no action)
 - a. Colfax Rescue Squad Report- January 2020
 - b. February 18th Election Notices
 - c. ACT Report
10. Adjourn

Any person who has a qualifying disability as defined by the American With Disabilities Act that requires the meeting or materials at the meeting to be in an accessible location or format must contact: Lynn M. Niggemann - Clerk-Treasurer, 613 Main Street, Colfax, WI (715) 962-3311 by 2:00 p.m. the day prior to the meeting so that any necessary arrangements can be made to accommodate each request.

It is possible that members of and possibly a quorum of members of the governmental bodies of the municipality may be in attendance at the above-stated meeting to gather information; no action will be taken by any governmental body at the above-stated meeting other than the governmental body specifically referred to above in this notice.

Village Board Meeting – January 27, 2020

On January 27, 2020, the Village Board meeting began at 7:00 p.m. at Village Hall, 613 Main Street, Colfax, WI. Members present: Trustees Halpin, Michels, K. Burcham, M. Burcham, Jenson and Gunnufson. Excused: Trustee Davis. Others Present: Colfax Rescue Squad Director Knutson, Public Works Director Bates, Administrator-Clerk-Treasurer Niggemann and LeAnn Ralph with the Messenger.

Public Comments– none.

Regular Board Meeting Minutes –January 13th, 2020 – A motion was made by Trustee Halpin and seconded by Trustee Jenson to approve the minutes for the January 13th, 2020 meeting. Voting For: Trustees Jenson, M. Burcham, K. Burcham, Michels, Halpin and Gunnufson. Voting Against: none. Motion carried.

Training- First Supply Hydrant Training, Eau Claire, WI-February 26, 2020 – Rand Bates, Don Logslett and Mitch Kreutzer – A motion was made by Trustee Halpin and seconded by Trustee Michels to approve the training for Rand Bates, Don Logslett and Mitch Kreutzer for the First Supply-Hydrant Training on February 26, 2020. Voting For: Trustees Halpin, Michels, K. Burcham, M. Burcham, Jenson and Gunnufson. Voting Against: none. Motion carried.

Facility Rental - none.

Licenses – Andrew Deraad- Colfax Health & Rehabilitation Center – Operator’s License – January 27th, 2020 to June 30, 2020 - A motion was made by Trustee Halpin and seconded by Trustee M. Burcham to approve the Operator’s License for Andrew Deraad effective January 27th, 2020 to June 30, 2020. Voting For: Trustees Jenson, M. Burcham, K. Burcham, Michels, Halpin and Gunnufson. Voting Against: none. Motion carried.

Donald & Marcia Henderson – 2020 Mobile Home Park License – A motion was made by Trustee M. Burcham and seconded by Trustee Michels to approve the 2020 Mobile Home Park License. Voting For: Trustees Halpin Michels, K. Burcham, M. Burcham and Gunnufson. Abstained: Trustee Jenson. Voting Against: none. Motion carried.

Consideration Items

Village of Elk Mound and Colfax Rescue Squad Agreement – Naloxone or Other Opioid Antagonist training – Knutson explained that the Elk Mound Police have been trained at administering different forms of Naloxone. This agreement allows Colfax Rescue to train Elk Mound Police how to use the equipment that Colfax Rescue uses to administer the form of naloxone that they use. The agreement allows the Colfax Rescue Squad to bill the patient when this drug is used by the police or the EMT’s. If the police use their stock the Colfax Rescue would replenish their stock. It is important for the first to arrive to be able to identify and administer the drug. A motion was made by Trustee Halpin and seconded by Trustee M. Burcham to approve the Elk Mound and Colfax Rescue agreement for training and restock of naloxone. Voting For: Trustees Jenson, M. Burcham, K. Burcham, Michels, Halpin and Gunnufson. Voting Against: none. Motion carried.

Discuss setting a public meeting regarding the CVTC referendum – Niggemann has sent an email to some of the surrounding townships asking if they have an interest in doing a combined meeting to allow for the public to ask questions and receive answers from a CVTC representative. This will allow for voters to understand the referendum question(s) they will see on the ballot. The Board likes the idea and Niggemann will keep them updated as things move forward.

Review/Approval – Bills –January 13th, 2020 to January 26th, 2020 – A motion was made by Trustee Halpin and seconded by Trustee Jenson to approve the bills for January 13th, 2020 to January 26th, 2020. Voting For: Trustees Halpin, Michels, K. Burcham, M. Burcham, Jenson and Gunnufson. Voting Against: none. Motion carried.

Closed Session - A motion was made by Trustee Halpin and seconded by Trustee M. Burcham to convene into closed session pursuant to WI Statutes 19.85(1) (c) considering the employment, promotion, compensation or performance evaluation data of any public employee over which the governmental body has jurisdiction or exercises at 7:22 p.m. Voting For: Trustees Jenson, M. Burcham, K. Burcham, Michels, Halpin and Gunnufson. Voting Against: none. Motion carried.

Open Session – Motion to convene into open session to take any action resulting from the closed session at 8:25 p.m. All Board members agreed that the Public Works Department will work out a flexible schedule to allow working four – ten hours days during the months of May through October and look into becoming part of the High School intern program.

Adjourn – A motion was made by Trustee Jenson and seconded by Trustee M. Burcham to adjourn the meeting at 8:26 p.m. A voice vote was taken, and all members voted in favor to adjourn. Motion carried.

Scott Gunnufson, Village President

Attest: Lynn Niggemann
Administrator-Clerk-Treasurer

Elevator Meeting Minutes 2/6/20

Present: Lisa Bragg-Hurlburt, Mark Johnson, Gary Swartz, Nancy Baumgartner, and Lynn Niggemann, with guests from Cedar Corps Cory Scheidler and Patrick Beilfuss

- Gary presented funds raised so far: \$956.36 in the Administrative Fund and \$63,950.93 in the Elevator Project Fund.
- Cory and Patrick discussed our building improvement plans and grant-writing options.

They suggest we begin by applying for a **Community Planning Grant (CBG)**, which can be applied for anytime and which they can write for us. The CBG will allow them to create a more careful and detailed construction plan. They will charge us a straight **\$2500** for writing the grant, and they think our chances for getting it are excellent because this is a well-used public building, the need is great, many community members are collaborating to make this project happen, and the grant was created to encourage communities to plan carefully.

The Elevator Project Commission voted to recommend that the Village allow Cedar Corps to write the CBG grant for us. (Motion made by Gary Swartz, seconded by Lisa Bragg-Hurlburt, and passed unanimously).

The Elevator Project Commission voted to pay for the \$2500 cost by taking it out of the Elevator Project Fund savings. (Motion made by Lisa Bragg-Hurlburt, seconded by Mark Johnson, and passed unanimously).

- Other grant-writing options Cedar Corps provides would include helping us get a Community Development Block grant, once Colfax is eligible again (in 2021). They think we have an excellent chance of receiving this money, and it will not matter if the Lagoon project is completely finished or not (as far as being eligible to apply in 2021).
- Last year grant money was awarded at a 2 to 1 ratio. So for every \$50 raised, \$100 was given in grant money. So our money raised can be used to determine how much we ask for. But also, our "money raised" could include low interest loan money. They will walk us through our options when it comes closer to that.
- It was mentioned that letters of support from local organizations who use our building might help our grant success. Senior citizen and non-profit groups are examples of good advocates. Our desire to improve the building's accessibility, add space to the library, improve voting access, have public meeting space, and provide shelter for the community in case of emergency all will help us win grant money.
- We talked about future events in the auditorium.

- **We settled on Saturday, March 14th, at 6:30 pm for our “Colfax Remembers: Saturday Night in Colfax” program.** This will probably be first in a series of events of this type. This first event will include a slideshow of vintage photos and movie clips contributed by Joe Alms, Dermott Toycen, Troy Knutson, and Nancy Odom. A class at the school is going to help put the slideshow together. We are also thinking of hiring Jim Zons to film the evening, since it will include a lot of audience participation and reminisces. There will be concessions available that night, including beer and wine. Lisa will make a poster for the event and send it to the Elevator commission for review before we start publicizing.
- **We will have an antique roadshow-type event in April, either on the 18th or 25th, at 2 pm.** We haven't settled on a name for that event yet, but it will feature a panel of experts: Mark Johnson, Mary Berg, Sue Hill, Nancy and Mark Mouledoux, and Pat Knutson. This will be a fund raiser for the Elevator Project; we'll ask for a \$10 donation for each item evaluated, with a 3 item maximum per person. This will be an event we'll advertise in the paper.
- Troy suggested us looking into another couple of types of events as fund raisers. One is Dairyland Donkey Basketball, which would probably have to be held at the school. LeAnn will investigate the cost and logistics of having a program like that. Another idea was having a hypnotist, maybe in September.
- **We agreed to change our monthly meeting time to the second Thursday of every month. Our next meeting will be March 12th at 6 pm.**

CRS Notes:

- On February 3, Dunn County Dispatch was notified by Centurytel that approximately 100 customers could only dial to 962 exchanges and did not know how that would affect emergency calls. We were notified and a plan was given out on social media, news and Code Red to either come to the station or call the station's (fire, police ambulance) if an emergency occurred. 9-1-1 was tested it appeared to work but the notice was still sent out to cover any problems. This lasted for approximately 3-4 hours. This again demonstrated the power of social media and Code Red (you must sign up for this free service) for getting messages out in an emergency.
- M7 had an air ride suspension intermittent problem which has been an ongoing problem which we were told by the ambulance supplier we had to shut the engine off, and it would reset in 3 seconds. We have been doing this for over a year. However, the end of December and more importantly January 1, 2020 this had stopped working or had slowly filled the airbags causing a rough ride. On January 2nd an appointment was made for January 10th at Truckalign in Altoona to fix the problem. Now on that January 1st transport of a combative patient a State Trooper rode with the patient and she reported the rough ride to the State Ambulance Inspector. On January 3rd the Inspector called and told us to take that ambulance out of service (it already was). A module was replaced on the suspension, and a suspension inspection was done finding worn ball joints as well. This was fixed and an alignment was done. They strongly suggested replacing the front tires because of an uneven wear pattern. So, the tires will be replaced on Feb 7 at All Season Tire Pro in Eau Claire. M7 will also have an oil change and DOT inspection on Feb 7 at Interstate Automotive Repair. So long story short we take vehicle repair very seriously as soon as problem was found appointments were made long before the State Ambulance Inspector was notified.
- January training was cancelled because Sacred Heart Staff did not want to travel in the snow. I took their word for it as I was in Florida enjoying 50-degree weather that day.
- January, we started to purge our files and will finish in February. The U.S. Department of Health requires us to maintain patient files for 7 years from the date of service. If the patient is a minor, we must maintain the files until 1 year past the year of majority or seven years which ever is longer. All our files are shredded by Shred Away document recycling. The truck comes and sheds the files on site and within 24 hours the shredding's being recycled into new paper.
- The Boy Scouts will be touring Colfax Rescue on February 10th with a small first aid demonstration to earn a badge.

- On February 26th Zoll will be at CRS to perform calibration and inspection of our cardiac monitors. This is a new service coming to our site before we had to ship them to Massachusetts to have this done. We do this to guarantee one our most expensive and valuable lifesaving devices will function appropriately if/when we need it to.
- The Village of Colfax/ Colfax Rescue has signed a memorandum of understanding with the Elk Mound Police Department to provide them with training and Naloxone to help in the opioid epidemic.
- Coronavirus to date there have been no reported cases in the State of Wisconsin. CDC, State EMS office, and Dunn County Health are keeping an eye on this virus. Currently there is no vaccine, but everyone is encouraged to get a flu shot if you have not already received one. I have included on the next page a CDC information page for you.

Financials are listed on last pages:

Add \$80.00 from old system to total.

2019-nCoV: What the Public Should Do

The current outbreak of 2019 novel coronavirus (2019-nCoV) originated in China but has now spread internationally, impacting an increasing number of countries. Sustained community spread is occurring in China. Limited person-to-person spread, most associated with close contact with a patient with confirmed 2019-nCoV has been seen outside of China. No community spread of 2019-nCoV has been identified in the United States at this time. In the coming days and weeks, we expect more confirmed cases in the United States, including some person-to-person spread. The goal of CDC's aggressive ongoing public health response is to prevent spread of 2019-nCoV in the United States.

What You Should Do

- Stay informed – CDC is updating its website daily with the latest information and advice for the public. (www.cdc/ncov)
- Remember to take everyday preventive actions that are always recommended to prevent the spread of respiratory viruses.
 - Avoid close contact with sick people.
 - While sick, limit contact with others as much as possible.
 - Stay home if you are sick.
 - Cover your nose and mouth when you cough or sneeze. Avoid touching your eyes, nose and mouth. Germs spread this way.
 - Clean and disinfect surfaces and objects that may be contaminated with germs.
 - Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand rub with at least 60% alcohol.
- If you feel sick with fever, cough, or difficulty breathing, and have traveled to China or were in close contact with someone with 2019-nCoV in the 14 days before you began to feel sick, seek medical care. Before you go to a doctor's office or emergency room, call ahead and tell them about your recent travel and your symptoms.

What You Should Not Do

- Do not travel to China.
- Do not use facemasks. CDC does not recommend the use of facemasks for the general public to prevent the spread of 2019-nCoV.
- Do not show prejudice to people of Asian descent, because of fear of this new virus. Do not assume that someone of Asian descent is more likely to have 2019-nCoV.

Audit

Audit is in progress. Eric Davidson is heading up the audit this year. There are two additional dates scheduled for the auditors to be in-house, Wednesday, February 19th and Friday, February 28th, 2020.

The auditors will usually ask during one of their visits for me to contact a Board member that might be available to ask a few questions. Just a heads up!

Elevator Committee Meeting

Thursday, February 7th, 2020 – Next steps in moving forward with the elevator project.
