   b. ACT Report – March 19, 2021

10. Adjourn

Any person who has a qualifying disability as defined by the American With Disabilities Act that requires the meeting or materials at the meeting to be in an accessible location or format must contact: Lynn M. Niggemann - Clerk-Treasurer, 613 Main Street, Colfax, WI (715) 962-3311 by 2:00 p.m. the day prior to the meeting so that any necessary arrangements can be made to accommodate each request.

It is possible that members of and possibly a quorum of members of the governmental bodies of the municipality may be in attendance at the above-stated meeting to gather information; no action will be taken by any governmental body at the above-stated meeting other than the governmental body specifically referred to above in this notice.

On March 8th, 2021, the Village Board meeting was held at 7:00 p.m. at the Colfax Rescue Squad, 614C Railroad Avenue, Colfax, WI. Members present: Trustees Halpin (online), Michels (online), Jenson and Gunnufson. Excused: Trustees Stene, Burcham and Davis. Others present included Public Works Director Bates, Administrator-Clerk-Treasurer Niggemann and LeAnn Ralph with the Messenger (online).

Communications from the Village President – none.

Consent Agenda
Regular Board Meeting Minutes – February 22nd, 2021- A motion was made by Trustee Halpin and seconded by Trustee Michels to approve both the Regular Board meeting minutes from February 22nd, 2021. Voting For: Trustees Michels, Halpin, Jenson and Gunnufson. Voting Against: none. Motion carried.

Training Request – none
Facility Rental - none

Licenses
Mobile Home Park Licenses for 2021 – Scharlau Investments – A motion was made by Trustee Halpin and seconded by Trustee Michels to approve Scharlau Investments' 2021 Mobile Home Park License. Voting For: Trustees Jenson, Halpin, Michels and Gunnufson. Voting Against: none. Motion carried.

Operator's License- Jakob Moore – Viking Bowl – March 8th, 2021 to June 30, 2021 – A motion was made by Trustee Jenson and seconded by Trustee Halpin to approve Jakob Moore's operator's licenses from March 8th, 2021 to June 30th, 2021 through the Viking Bowl. Voting For: Trustees Michels, Halpin, Jenson and Gunnufson. Voting Against: none. Motion carried.

Consideration Items
CSM for 711 University Avenue-Roger Johnson's lot/Increase the size of lot 2 – A motion was made by Trustee Jenson and seconded by Trustee Halpin to approve the Certified Survey Map for 711 University Avenue to increase the lot size. Voting For: Trustees Halpin, Michels, Jenson and Gunnufson. Voting Against: none. Motion carried.

Colfax Rescue Squad and Menomonie Fire Department/Ambulance Emergency Service Mutual Aid Reciprocal Agreement/Advance Life Support Intercept Agreement – A motion was made by Trustee Halpin and seconded by Trustee Jenson to approve both the Ambulance Emergency Service Mutual Aid Reciprocal Agreement and the Advance Life Support Intercept Agreement with the rate increase of $50 to $250. Voting For: Trustees Michels, Halpin, Jenson and Gunnufson. Voting Against: none. Motion carried.

Riverview Avenue/High Street Project –Any Discussion Items- The Board was updated that there was a meeting held with the residents that will be affected by the project this summer. There will be another meeting once the contractor has been determined so that the timeline can be provided as well as the final plan for parking. There were some concerns regarding people with disabilities and weekend travel. The residents were informed that the bid request has specified that the contractor should try to maintain one lane of travel if possible and the working hours will be between 7:00 am and 6:00 pm. The contractor will have the roadway passable at the end of each work day unless there is an emergency type item which prevents that from happening.

Planning Commission Meeting Approvals if needed
East View Development – John Fraley - Gunnufson explained that the Planning Commission recommended to the Village Board to grant John Fraley's request to allow vinyl siding on the houses he is building in the East View Development. A motion was made by Trustee Halpin and seconded by Trustee Michels to approve the recommendation of the Planning Commission to allow John Fraley to use vinyl siding on the houses he will be

building in the East View Development. Voting For: Trustees Halpin, Michels, Jenson and Gunnufson. Voting Against: none. Motion carried.

1009 University Avenue – Nick Semling – Semling presented his plans for 1009 University Avenue. He would like to construct two four-plexes with a shared driveway. Each four-plex would have firewall that meets code to consider the units as two (2) duplexes. The Planning Commission has recommended approving the site plan to construct the units with this design and floor plan. A motion was made by Trustee Jenson and seconded by Trustee Halpin to approve the Planning Commission's recommendation to approve the site plan and floor plan as presented. Voting For: Trustees Michels, Halpin, Jenson and Gunnufson. Voting Against: none. Motion carried.

Colfax Solid Waste Updates & any possible actions if needed – Bates updated the Board that Elk Mound's second recycling compactor may need to be rebuilt or fixed and if that cannot happen, a new motor will need to be purchased. Colfax's second recycling compactor motor replacement has not arrived yet. No action.

COVID-19 Review/Updates- possible action if needed- none.

Review/Approval – Bills –February 22nd, 2021 to March 7th, 2021 – A motion was made by Trustee Jenson seconded by Trustee Halpin to approve the bills as presented for February 22nd, 2021 to March 7th, 2021. Voting For: Trustees Jenson, Halpin, Michels and Gunnufson. Voting Against: none. Motion carried.

Adjourn – A motion was made by Trustee Jenson and seconded by Trustee Halpin to adjourn the meeting at 7:24 p.m. A voice vote was taken with all members voting in favor. Meeting Adjourned.

SUBJ: *Registration Confirmation for:* William Anderson
        LE Management Conference, Barker's Island
        04/12/21 – 04/15/21

This letter is to confirm your advance registration in the above-referenced law enforcement-training program. The class will be held:

- 1:00 pm - 5:00 pm Monday, April 12, 2021
- 8:00 am - 5:00 pm Tuesday and Wednesday, April 13 and 14, 2021
- 8:00 am – 12:00 pm Thursday, April 15, 2021

The training will take place at Barker's Island Inn, 300 Marina Drive, Superior, WI, 54880.

Topics include:
- Husky Refinery Incident
- Employment Law and Open Records with Kyle Gulya
- DCI Internet Crimes Against Children
- Calibre Press – Implicit Bias in Law Enforcement
- Training & Standards update and Legal Update

24 hours T&S credit.

This three-day Management Conference will provide 24 hours of tailored training to leaders in the law enforcement profession. The training topics were selected to enhance the leadership skills of attendees during a trying time in American law enforcement.

At this point in time, the registration fee has not been determined. WITC is still awaiting official Department of Justice grant funding. Once a fee has been determined, I will email to inform you of the cost.

Wastewater | Training | Solutions
Your Pipeline to the Future

New wastewater operators at your plant? Have someone on your staff that needs to be certified? Or just need DNR credits.

- Online classes using Zoom Meetings (see reverse side). Classes run from 8:00 am until 3:30 pm.
- **I have taught several online courses, and it has gone well. Students can see and hear me, and the other students. I have had positive feedback from students who took online classes.**
- Prepare your operators for the DNR Wastewater Certification exams.
- Earn DNR continuing education credits (6 credits per day).
- Maintain the high standard of excellence that your plant has established.
- **Or call to schedule a customized training at your facility. (608) 770-5144**

Train with the best:

- Dan Tomaro begins his 25th year of training wastewater operators - 9 years with Moraine Park Technical College, and this is his 16th year with Wastewater Training Solutions.
- Prior to that, Dan worked 8 years at the City of Janesville WWTP.
- Dan thrives on helping his students to succeed.

The Northern Show Circuit is a small group of show parents working to make opportunities for showing quality animals. We started this group in the fall of 2016 for all youth to participate in. We are a non-profit group relying on donations and commision from our show to continue next year. Each year we try to host a show for the local beef, sheep, and goat exhibitors to exhibit at. Our goals with the show are to educate the youth and make them better showman and animal caregivers. All of the Judges that we hire are from within the species they are judging. They all know the highs and lows of raising and showing animals. We would like to think that it is not always about the quality of the animal, but the ability of the showman to take care of and learn the responsibilities to go with it no matter if they have sheep, beef, or goats. We are big on giving the winners something that they can use. In the past we have given out water bottles and show supplies. All of these prizes are paid for out of the entry money. In an attempt to get more youth involved the entry prices are low to make it easier to to bring the whole family. This will be our 5th year planning (4th hosting due to COVID) a show.

We are all here for the youth and want to be able to do what we can to make their showing career the best that it can be. If you would like to donate or be on our planning committee let us know!

Signature®
Flowmeter

The Signature flowmeter is designed for open channel flow monitoring applications. It supports flow measurement technologies including bubbler, non-contact laser area velocity, submerged Doppler ultrasonic area velocity, and ultrasonic.

A highly flexible monitoring platform, adapting right along with your current need and any future changes in your monitoring requirements.

The meter can calculate flow using standard open channel level-to-flow and area velocity conversions, as well as user defined equations, level to area data points, or level to flow data points, depending on the application needed.

The Signature flowmeter has unique features to verify data integrity. It logs key events such as changes in calibration and power outages to validate data accuracy. Data can be easily reviewed to detect any type of data alteration. With multiple smart interface options and multi-parameter logging (such as pH), the Signature flowmeter provides a common platform for control, action, reporting, and communication.
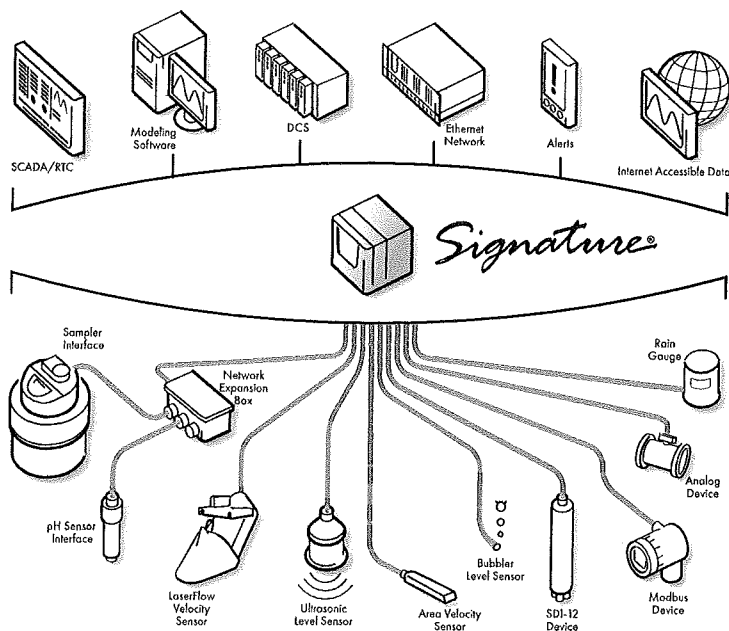

Applications:

- Industrial pretreatment compliance
- Shallow flow measurement in large and small pipes
- Permit enforcement
- Wastewater treatment plants
- Outfall
- Stormwater monitoring

Standard Features

- Multiple parameter data logging
- Program and summary reports
- Triggering, sampler enabling
- Compatibility with Flowlink® software
- Load calculation
- Add, subtract average multiple inputs

ISCO

TELEDYNE ISCO
Everywhereyoulook™

Data Collection

Flowlink® Data Analysis

Teledyne ISCO Flowlink® software is a powerful tool for analyzing flow and water quality data. It provides site setup and data retrieval/analysis, as well as advanced reporting and graphing. Flowlink software also gives you the ability to generate site data graphing and reports.

Remote Communication

Remote communication options allow meter configuration and data/report retrieval from remote locations. They also enable the transfer of data to a dedicated server running Flowlink Pro software.

USB Connectivity

With a USB flash drive attached, you can quickly update firmware in the Signature flowmeter and connected TIENet® devices, and download data files for use with Flowlink software. In addition, the USB port provides direct serial connection with a computer running Flowlink software.

Data Integrity

Data Integrity is ensured by logging event data types that can be verified, thereby producing confidence with verifiable data including; Summary, Diagnostic, Program, History and Verify Report files.

Signature Flow Meter

Size (HxWxD):	8.88 x 12.22 x 8.22 in (with mounting bracket) 16.74 x 13.58 x 10.48 in (with stand)
Materials:	PPO Polyphenylene Oxide
Enclosure:	IP66 (self-certified)
Power Required:	100 to 240 VAC 50/60 Hz 12V DC, Lead Acid Battery 12V DC (current consumption varies depending upon configuration)
Cable Entry:	Standard: ¾" NPT conduit Optional: ¾" NPT cord grips
Flow Measurement Technologies:	Ultrasonic (TIENet 310) Bubbler (TIENet 330) Area Velocity (TIENet 350, 360)
Inputs:	Two SDI-12, Two MODBUS ASCII/RTU, pH Measurement (TIENet 301) Analog In (TIENet 307), Rain In
Setup:	Front Panel Keypad-Flowlink Software with serial USB, remote cellular, or Ethernet
Flow Conversions:	Area Velocity, Weir, Flume, British Flume, Metering Insert, Manning Formula, Equation, Level to Flow Data, Points, Level to Area Data Points
Data Storage:	Non-volatile flash; retains stored data during program updates. Capacity: 8M Interval: 15 or 30 seconds; 1, 2, 5, 15, or 30 minutes; or 1, 2, 4, 12, or 24 hours Capacity: 180 days with 5 parameters logged at 1 minute intervals, reports once per day
Data Retrieval:	USB drive, Flowlink Software—with serial USB, remote cellular, or Ethernet
Outputs:	MODBUS ASCII/RTU, Analog (TIENet 308), Contact Output (TIENet 304), SMS Alarm
Sampler Interface:	TIENet 306

Input Options

- Multiple simultaneous flow technologies
- pH and temperature
- SDI-12
- RS-485 Modbus
- Rain gauge
- Analog (optional TIENet® 307 card)

Output Options

- RS-485 Modbus
- Analog (optional TIENet® 308 card)
- Contact (optional TIENet® 304 card)

Available Measurement Technologies

- Bubbler and Ultrasonic
- Non-Contact Laser Velocity
- Continuous Wave Area Velocity

Model	**CANON IMAGERUNNER ADVANCED DX C3725I COLOR COPIER (25PPM)**
Standard Description	Ships standard with 200-sheet Single Pass Duplexing Automatic Document Feeder, Envelope Feeder Attachment, 100-sheet stack bypass, 2 x 550-sheet Paper Cassettes, UFRII/PCL/PS Printing, Direct PDF/XPS Printing, Color Universal Send with PDF High Compression, Encrypted PDF, Digital Signature PDF (Device and User Signature), Trace and Smooth PDF, Searchable PDF/XPS, OOXML (Scan to PPT and Word), Universal Login Manager(Requires Download),uniFLOW Online Express, Access Management System, HDD Data Erase, Data Encryption (FIPS-140-2), IP Sec, Encrypted Secure Print, Secure Watermark, Web Browser, 3GB RAM, 250GB HDD, Color Image Reader, Ethernet 1000Base-T/100Base-TX/10Base-T,USB 2.0/3.0 Connectivity, Wifi Connectivity, Remote Operator's Software Kit, Color Network ScanGear and Drum Units.

Included Options
☑ CANON CABINET TYPE R
☑ ESP DIG. QC 120/15 NET 2 REC. PROTECT
☑ COLOR COPIER DEL./SETUP-BUS. COLOR
☑ MFD INSTALL

Total Recommended System Purchase Price	$3,615.86
Total Recommended System 60 Mo. Lease	$75.93

Optional Accessories		
☐ CANON INNER FINISHER - K1	$929.33	$19.52 per month
☐ CANON SUPER G3 FAX BOARD AZ-1	$708.00	$14.87 per month

Maintenance & Service Plan	This agreement is $37.80 per quarter to include 4,500 B&W Copies. Includes all parts labor travel, drums, and toner. Staples are not included. B&W Overages will be billed at 0.008400 per page. All Color pages will be billed at 0.063000. Decline Contract: I have chosen to decline a maintenance contract at this time **Terms and conditions for maintenance agreement on next page.

When signed, this quotation becomes an order for the total recommended system plus any checked optional accessories. Quote is valid for 30 days.

Ask me about our new line of PPE Solutions!

E. O. Johnson Business Technologies agrees, subject to the terms and conditions hereof, to:

Perform all maintenance and inspections of the equipment at intervals which are consistent with that recommended by the manufacturer. Support will include to clean, lubricate, adjust, or repair equipment as needed for optimal performance.

Replace all worn, defective or damaged parts without charge, providing that such parts have not been subject to a damaged condition caused by fire, flood, vandalism, misuse or negligent conduct on the part of the customer, its agent or third parties.

Provide service under this agreement as required by the Customer during the E. O. Johnson Business Technologies' normal business hours of 8:00 a.m. and 5:00 p.m. Monday through Friday (except holidays).

TERMS FOR MAINTENANCE AGREEMENT

1. SUPPLIES - Many items are considered supplies, however, only supplies identified on the front of this contract are included. If the customer fails to use manufacturer approved supplies and damage is caused, the customer agrees to pay the non-contract rates for replacement parts and labor to repair such damage. E. O. Johnson Business Technologies reserves the right to charge for excessive toner consumed based on the manufacturer yield expectations using the industry standard average of 6% coverage for black and up to 20% coverage for color. Toner remains the property of E. O. Johnson Business Technologies until fully consumed.

2. LIABILITY - E. O. Johnson Business Technologies shall not be responsible for: (1) failure to perform its maintenance obligation due to strikes, fire, flood and other causes beyond its control, (2) accidents to or caused by the equipment, (3) service or parts when anyone other than the E. O. Johnson Business Technologies has worked on the equipment, (4) equipment damage due to misuse or negligence by the Customer.

3. CONTRACT DOES NOT INCLUDE service support when equipment is operated outside of manufacturer recommended specifications. This contract also does not cover service calls related to: updating print drivers, loading additional drivers on new computers / upgraded computers, or troubleshooting print related problems. This contract does not cover network hardware, computers, switches, operating systems, third party software programming or additional training after initial install unless included in this document. Support for these items and services are all billable events at normal non-contract rates.

4. TAXES - Maintenance charges, zone / travel charges, labor and parts are subject to state and local taxes.

5. EQUIPMENT TRANSPORTATION - E. O. Johnson Business Technologies is not liable for transportation damages or loss of equipment in the event the Customer moves the equipment or contracts with a third party to move the equipment. Customer agrees to pay for any damages incurred from moving the equipment.

6. INDEMNITY - E. O. Johnson Business Technologies is not responsible for any losses or injuries caused by the installation or use of the equipment under contract. Customer assumes and bears the risk of loss or damage to the equipment. If the equipment is lost or damaged, the Customer agrees to replace the equipment or pay for repairs or replacement.

7. AFTER HOURS SERVICE - Normal business hours are from 8:00 a.m. until 5:00 p.m. Monday through Friday.
If the Customer requests service to be performed outside of normal business hours the Customer will pay for such service, including travel time and expenses, at E. O. Johnson Business Technologies' established billing rate. E. O. Johnson Business Technologies need not provide such service if service personnel are not readily available. To the extent practicable, all service to the equipment provided hereunder shall be provided at the Customer's location as noted on this agreement unless E. O. Johnson Business Technologies determines that such service will be better performed at an alternate location.

8. ACCEPTANCE of the agreement is contingent upon being signed and approved by an authorized E. O. Johnson Business Technologies representative and an authorized representative of the Customer. Final approval subject to acceptance by E. O. Johnson Business Technologies Service Management.

9. TERMINATION OF CONTRACT - The Customer or E. O. Johnson Business Technologies has the right to terminate this contract at any time for any reason. In the event the Customer terminates this contract, the unused portion of the contract will be prorated. The credit will be applied to the Customer account for up to one year and can be used for the purchase of hardware or services only. Unused toner in a toner inclusive contract must be returned to E. O. Johnson Business Technologies or Customer agrees to pay for the toner at normal retail prices.

10. TERMS & RENEWALS - E. O. Johnson Business Technologies will bill the Customer when signed copy of this agreement is received. Terms are net. This agreement will automatically self-renew annually unless prior notice of termination is given by either party. The renewal term is the same as the original term. A yearly increase is usual and customary. By initialing, you agree to this maintenance agreement as stated.

C3725i

imageRUNNER ADVANCE DX C3700 Series

*Color
Low- to Mid-volume
Multifunction*

Print up to 30 ppm (BW/color)

Scan up to 270 ipm (300 dpi) (BW/color, duplex)

Print up to 12" x 18"

2,300-sheet maximum paper capacity
Canon's comprehensive portfolio of imageRUNNER ADVANCE DX multifunction printers and integrated solutions can help **simplify** the end user experience and management of technology, better **control** sensitive information and print-related costs, and help ensure that technology investments proactively **evolve** with changing needs.
WORKFLOW EFFICIENCY

- 10.1" intuitive touchscreen with smartphone-like usability.

- A unique, customized experience tailored to individual preferences using My ADVANCE.

- Supports mobile solutions and integration with many popular cloud services like Google Drive.[1]

- Scan and convert documents to searchable digital files in a variety of file formats.

- Integration with Canon and various third-party software with embedded application platform.

- Hot Folders allow users to drag and drop a file into a hot folder, and automatically print with predefined settings such as number of copies and finishing requirements.

SECURITY

- Advanced standard security feature set to help safeguard sensitive information and assist in regulatory compliance.

- Integrates with existing, third-party SIEM* systems to help provide real-time, comprehensive insights into potential threats to the network and printers.

- Technology to verify that the device boot process, firmware, and applications initialize without alteration at startup. McAfee Embedded Control[2] utilizes a whitelist to protect against malware and tampering of firmware and applications.

- Security policy settings can be controlled with a dedicated password, configured from a central location, and exported to other supported devices.

- Control access to the device and specific features, using a host of flexible authentication methods—PIN code, user name/password, or card access.[3]

QUALITY AND RELIABILITY

- Canon's signature reliability and engine technologies help keep productivity high and minimize the impact on support resources.

- Outstanding imaging technologies and toner allow for consistently striking images, thanks to Canon's V^2 color profile.

- Designed to achieve maximum uptime with status notifications that help keep supplies replenished and intuitive maintenance videos for consumables replacement.

- imageRUNNER ADVANCE models have received many awards and recognition from leading industry analysts, often referencing strong reliability.

* Security Information and Event Management

DEVICE AND FLEET MANAGEMENT

- Designed for quick, easy deployment.
- Remote diagnostics and parts life management for proactive maintenance and rapid fixes.
- Easy and intuitive to monitor device status and consumable levels, turn off devices remotely, observe meter readings, manage settings, and implement security policies.
- Common firmware and regular updates with Unified Firmware Platform (UFP) for continuous improvements and consistency across a fleet.
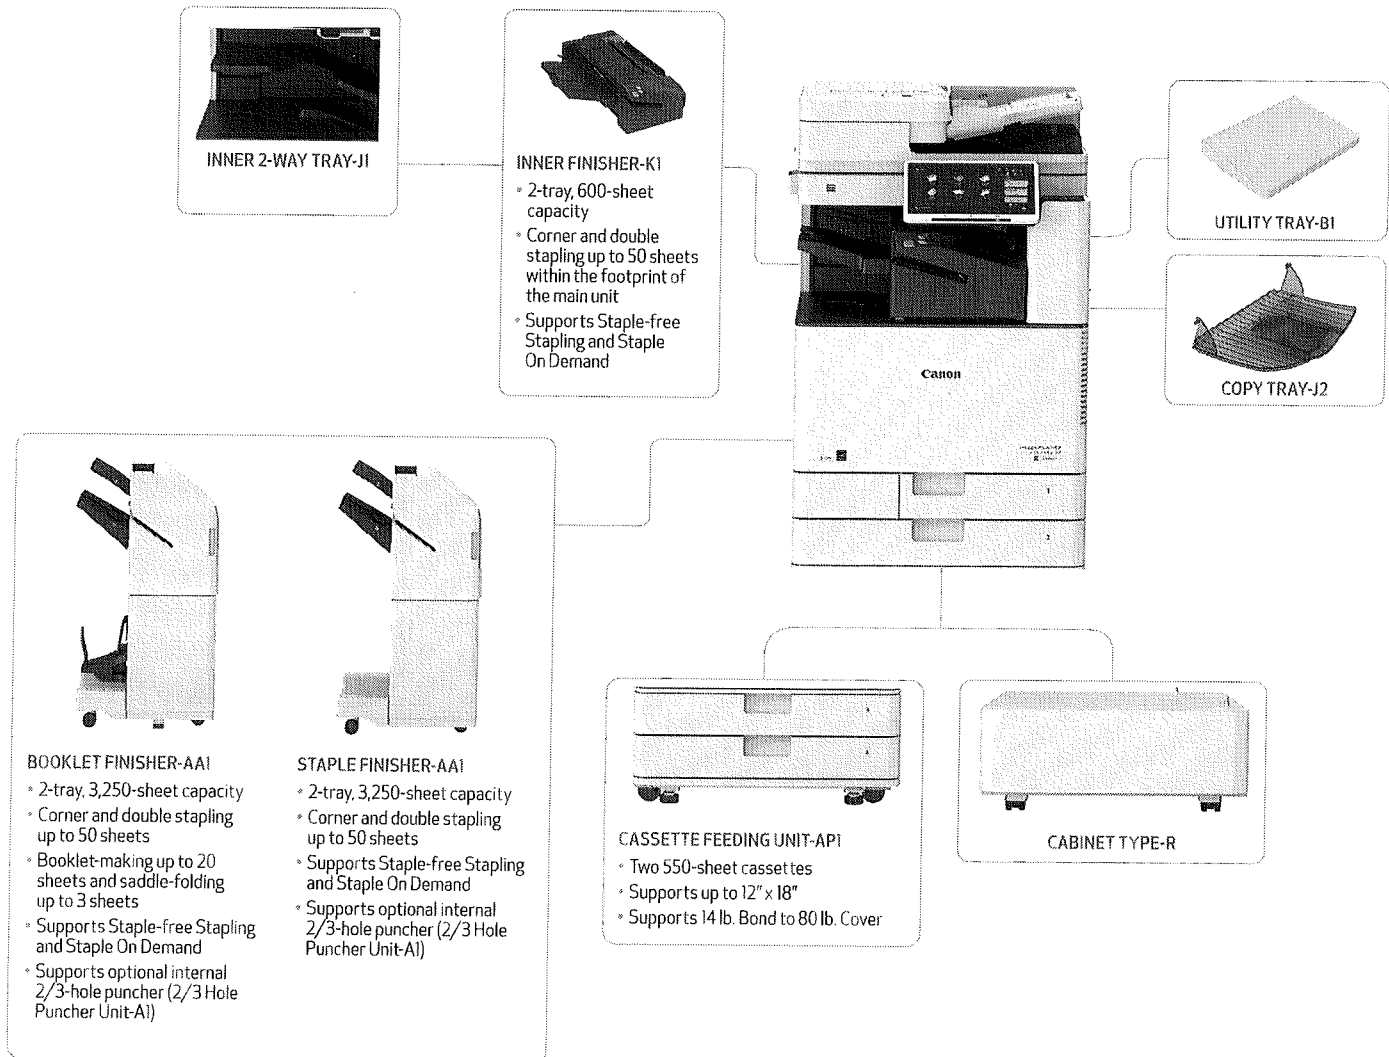

COST MANAGEMENT

- Track and assess print, copy, scan, and fax usage and allocate costs to departments or projects.
- Apply print policies and restrict usage by user to help reduce unnecessary printing and contribute to cost efficiency.
- Standard cloud-based solution provides a centralized dashboard with up-to-the-minute insights into printer activity.
- Upgrade to uniFLOW server or cloud-based solutions for full accounting and reporting for compatible Canon and third-party devices, pull printing, job routing, and powerful scan workflows.

SUSTAINABILITY

- A combination of fusing technologies and low-melting-point toner minimizes power requirements and helps achieve low energy consumption.
- Encourage environmentally conscious work practices by enabling multiple settings that can help save paper and energy.
- ENERGY STAR® certified and rated EPEAT® Gold.[4]

CONFIGURATION OPTIONS

INNER 2-WAY TRAY-J1

INNER FINISHER-K1
- 2-tray, 600-sheet capacity
- Corner and double stapling up to 50 sheets within the footprint of the main unit
- Supports Staple-free Stapling and Staple On Demand

UTILITY TRAY-B1

COPY TRAY-J2

Canon

BOOKLET FINISHER-AA1
- 2-tray, 3,250-sheet capacity
- Corner and double stapling up to 50 sheets
- Booklet-making up to 20 sheets and saddle-folding up to 3 sheets
- Supports Staple-free Stapling and Staple On Demand
- Supports optional internal 2/3-hole puncher (2/3 Hole Puncher Unit-A1)

STAPLE FINISHER-AA1
- 2-tray, 3,250-sheet capacity
- Corner and double stapling up to 50 sheets
- Supports Staple-free Stapling and Staple On Demand
- Supports optional internal 2/3-hole puncher (2/3 Hole Puncher Unit-A1)

CASSETTE FEEDING UNIT-AP1
- Two 550-sheet cassettes
- Supports up to 12" x 18"
- Supports 14 lb. Bond to 80 lb. Cover

CABINET TYPE-R

Election- Spring Election – Tuesday, April 6th, 2021

Spring election is just around the corner. I have attached the sample ballot for the Village of Colfax. Our local section includes the following:

Village President	**Village Trustee**
Vote for 1	Vote for 3
write-in: _____	Margaret Burcham
	write-in: _____
	write-in: _____
	write-in: _____

Registered Write-In Candidates

To be a registered write-in candidate for an election, all local office candidates must file a Campaign Registration Statement with their local clerk by 12:00 p.m. (noon) the Friday before the election. (**April 2, 2021**)

In order for write-in votes to count, the individual needs to be registered with the Clerk's office no later than Friday, April 2, 2021 at noon.

SAMPLE

Official Ballot
Nonpartisan Office
April 6, 2021

058

Notice to voters: If you are voting on Election Day, your ballot must be initialed by two (2) election inspectors. If you are voting absentee, your ballot must be initialed by the municipal clerk or deputy clerk. Your ballot may not be counted without initials (see end of ballot for initials).

IMPORTANT: DO NOT USE RED INK!

General Instructions

If you make a mistake on your ballot or have a question, ask an election inspector for help (absentee voters: contact your municipal clerk).

To vote for a name on the ballot, complete the arrow next to the name like this: ⬅—◄

To vote for a name that is not on the ballot, write the name on the line marked "write-in" and complete the arrow next to the name like this: ⬅—◄
