Consideration Items

Resolution 2021-15-Constitutional Rights Protection Resolution- Michels read the drafted resolution to the Board.

Jenson mentioned that the WI Assembly had passed a resolution supporting the Constitutional Rights Protection.

General discussions involved a few areas of the drafted amendment needing to be updated because the Village of Colfax does not allow hunting in Village limits. Some of the areas of concern mentioned by both the Village attorney and the County Attorney should be considered if the resolution is adopted. Jenson stated that the main purpose is to allow the Village of Colfax residents to be able to keep arms in the Village of Colfax limits.

A motion was made by Trustee Stene and seconded by M. Burcham to refer the resolution for discussion and/or updating to the Public Safety Committee. A voice vote was taken with all members voting in favor. Motion carried.

Assessment Revaluation – Barb Zempel - Zempel explained the assessment process in regards to how the revaluation works. Municipalities are required to be at full value once every five years. The Village of Colfax has not had a revaluation for 10 years and this is the final year to become compliant. Zempel expects to have the notices of value changes sent out in the mail no later than the end of August which would mean that the Board of Review meeting would

get scheduled for the end of September. Zempel will provide the list of assessment values around the same time that the notices are mailed out. Albricht has offered to do the Board of Review training for 2021.

Street Project –Riverview/High/Dunn – Gareth Shambeau – Shambeau informed the Village Board that the 2021 Street Project for Riverview, High and Dunn Street is expected to be underway Monday, June 24th, 2021. Ayres will be on-site the week of June 14th to do the preliminary work.

TID 5 Creation Discussions/Possible Action- Dunn Street/Project Design

Since the last Board meeting, Niggemann has been working with Shambeau with Ayres and Lowe with Ehlers to get the timeline together for creation of a TID and decide timelines of projects based on the funding needs. In previous meetings we talked about the current portion of Dunn Street being completed with the current project and then the possibility of completing the rest of Phase Two utilities on Dunn Street. In talking with Shambeau, in reference to the TID being created and the ability to fund the costs associated with the Phase Two utilities to the new TID 5, the bidding process would not be able to start until mid-July at the earliest. Requesting bids this late in the season makes it difficult to get competitive bids. Niggemann feels that if we try to get all these things completed once the TID is created we will be rushing things along which could be more costly in the end. So if the Board is in agreement that we should not rush things along, we would hold off a little while before we have Ayres start the surveying and design process until the Spring of 2022. The Board has authorized the creation of TID 5 and the Phase Two Utilities with no timeline attached to it, so no additional action is needed.

Rescue Squad Building – Air Cooling Unit Repair Estimates – Knutson provided a memo indicating that Colfax Heating and Cooling provided a temporary fix of replenishing the coolant in the unit to see how bad the leaks might be. The memo indicates that the permanent fix would be to replace the A coil condenser not the whole unit. Quotes received were from Colfax Heating and Cooling \$1,500 with a 5 year warranty, Cedar Falls Heating and Cooling - \$1,329 with a 1 year warranty, Countryside Cooperative Company (installed the original unit) - \$1,922.50 no warranty listed, The Plumber provided a cost for a whole unit of \$4,204 due to the 14 soldered joints in the refrigerant lines, he does not recommend replacement of the coil only. A motion was made by Trustee Davis and seconded by Trustee M. Burcham to request replacement pricing from the other vendors and authorize Niggemann and Bates to go with the best pricing on the unit as a replacement with the funding from the unassigned fund balance. Voting For: Trustees Stene, Prince, Rud, Halpin, Davis, M. Burcham and Albricht. Voting Against: none. Motion carried.

2021 Myers Septic Service LLC - Fair Estimate – Niggemann wanted to update the Board regarding the estimated price for the port-a-potties for the 2021 fair since the estimate is \$745 plus possible emergency fees since the vote was decided on with 2019 pricing of \$490. The motion from May 10th, 2021 approved the cost of the port-a-potties plus and addition \$250 cash donation. No action is needed if the Board is fine with the estimate. No action was taken so the Village Board is authorizing the \$745 payment to Myers Septic plus any additional fees that may develop due to use during the fair.

Lexipol Proposal – Police Department Memo

Lexipol is a company that reviews the policy manual for police, fire and EMS. The Village has their insurance through the League of Municipalities and they have offered a \$2,500 grant towards the purchase of the service. The estimate provided by Lexipol is based on full-time staff in the department; \$3,189.60 is the initial fee. Anderson would like to move forward with this proposal. A motion was made by Trustee M. Burcham and seconded by Trustee Halpin to move forward with the initial cost of policy update with Lexipol for \$3,189.60 and the reimbursement of \$2,500 from the League of Municipalities Insurance. Voting For: Trustees M. Burcham, Rud, Davis, Halpin, Stene, Prince and Albricht. Voting Against: None. Motion carried.

Resolution 2021-14- Wastewater Compliance Maintenance Resolution - Bates is required to complete an annual report on Wastewater annually. The report is attached to the resolution which states that the report has gone before the Board and it has been reviewed. Any questions the Board had were directed to Bates and answered. A motion was

made by Trustee M. Burcham and seconded by Trustee Halpin to approve Resolution 2021-14- Wastewater Compliance Maintenance Resolution. Voting For: Trustees Prince, Halpin, Davis, M. Burcham, Rud, Stene and Albricht. Voting Against: none. Motion carried.

Review/Approval – Bills –May 23rd, 2021 to June 13th, 2021 – A motion was made by Trustee M. Burcham and seconded by Trustee Prince to approve the bills as presented for May 23rd, 2021 to June 13th, 2021. A voice vote was taken with all Trustees voting in favor. Motion carried.

Closed Session – A motion was made by Trustee Davis and seconded by Trustee Stene to convene into closed session pursuant to WI Statutes 19.85(1) (c) considering the employment, promotion, compensation or performance evaluation data of any public employee over which the governmental body has jurisdiction or exercises regarding Public Works at 8:39 p.m. A voice vote was taken with all trustees voting in favor. Motion carried.

Open Session – A motion was made by Trustee Halpin and seconded by Trustee Prince to convene into open session to take any action resulting from the closed session – Public Works. Albricht announced that the Board of Trustees unanimously voted to increase the part-time Public Works employee wages to \$14 per hour and to post for the full-time Public Works position with a pay range of \$18 per hour to \$20 per hour depending on qualifications.

Adjourn – A motion was made by Trustee Prince and seconded by Trustee M. Burcham to adjourn the meeting at 8:56 p.m. A voice vote was taken with all members voting in favor. Meeting Adjourned.

Woods Run Forest Products would like to donate a memorial bench in honor of Gary Anderson. We would like to place it at the park on the Y of 170 and Hwy 40 or at the park where music is hosted. I apologize for not knowing the names of these parks. We're looking for permission from the village of Colfax to place this bench in one of those spots. Thanks for all your time and consideration.

SEC. 10-1-22 STOPPING OR PARKING PROHIBITED IN CERTAIN SPECIFIED PLACES.

- (a) **Parking Prohibited at All Times.** Except temporarily for the purpose of and while actually engaged in loading or unloading or in receiving or discharging passengers or property and while the vehicle is attended by a licensed operator so that it may be moved promptly in case of an emergency or to avoid obstruction of traffic, no person shall at any time park or leave standing any vehicle:
 - (1) Within an intersection.
 - (2) On a crosswalk.
 - (3) On a sidewalk or terrace area, except when parking in such place is clearly indicated by official traffic signs or markers or parking meters. BUDGET TRANSFER REQUEST FORM

TRANSFER TO:

AMOUNT \$ 8,000

ACCOUNT TITLE AND NUMBER 620-00-53610-001-832 Lagoon Maint.

TRANSFER FROM:

ACCOUNT TITLE AND NUMBER 620-00-53610-000-833 Maint Treat. Plan/Equip

REASON: (This does not mean "budget overdrawn": It means why is proposed budget overdraft necessary!)

This was the explanation on the April 12, 2021 meeting: "The lagoon needed the probe changed out, which was not budgeted for and was on the agenda at the last meeting. The transfer will help cover the money needed to cover the maintenance and repairs of the Gridbee and Solarbee mixers at the lagoon."

We have the final cost after the work has been completed, for a total cost of \$13,396.63.

The transfer will cover the invoices related to the Gridbee and Solarbe, Medora/Ixom invoices plus \$1,200 to cover future invoices for CBS Squared for engineering expenses related to the Sewer Lagoon (Streambank grants).

Subject: RE: Follow up from Village Board meeting?

Josh, is this what you are looking for? I do not think that we need to add additional parcels. The parcels that we mentioned were Ackerman Dairy on Dunn Street. 1711122911162400050 EA Ackerman Dairy 415 Dunn Street.

So the development that will occur in 2021 is:

- Dunn Street (portion already noted)
- House in Lot 5 - \$175,000

Development expected in 2022

- Lot 4 House - \$175,000
- Possibly Lot 3 house - \$175,000
- Lot 7 house - \$175,000
- Possibly Lot 9 – Tri-plex \$350,000
- Dunn Street Expansion for phase two Cost to TID (you and Gareth had worked through the cost)

Development expected in 2023

- House Lot 2 \$175,000
- House in Lot 8 \$175,000

Development expected in 2024

- House in Lot 1 - \$175,000

Development expected in 2025

- Multi-family Unit - \$350,000

Development expected in 2026

- 32 unit Multi-family - \$300,000 (low income - ? tax value)
- Potential expansion near the Fire Station– Grassland or other business \$350,000
- **Utilities to service any growth near the Fire Station**
- Potential to purchase more land to continue development \$15,000 per acre
- **Stormwater Pond**
- **Infrastructure to service additional growth – roads, water, sewer and stormwater**

Development expected in 2027 – life of TID

- Potential Commercial development near Fire Station
- Potential Commercial development near Timber Tech – Henderson's Ag land
- **Infrastructure to service additional growth – Bremer Ave extension, water, sewer and stormwater**

I think the bold items in a lighter blue are items that we could get Gareth to estimate or I can have Rand calculate the distances and get linear price per foot and we can do low ball plus estimated engineering and contingency.

Your thoughts?
