Consideration Items

Letter of Support – Elevator Project – At the August 14th, 2023 Board meeting Bragg-Hurlburt asked the Board to consider a Letter of Support for the Elevator Project as they move forward and continue fund raising and applying for grants. It is helpful for the donors to know that the municipality is in support of the project. Resolution 2023-15 Resolution of Support for the Elevator Project by the Village President and the Members of the Board with the modification to the text in the last Whereas, the Village of Colfax understands that any financial commitment would be reviewed at a later time. A motion was made by Trustee Burcham and seconded by Trustee Stene to approve Resolution 2023-15- Resolution of Support for the Elevator Project. Voting For: Trustees Burcham, Best, Stene and Prince. Voting Against: none. Motion carried.

Street Patch Estimates – Review and Possible action– Niggemann explained that Bates received estimates upon the Boards request for street patches for East Railroad & Fairview, East Railroad and Cty. Hwy M, Amble & High St., Bus Garage and West Railroad Ave. The Senn estimate for West Railroad had a statement indicating that the Village of Colfax would deliver all base-course, install and compact to proper grade. The Village does not have the equipment to do this, so the estimate will need to be modified. Bates will contact Senn Blacktop for an updated estimate on West Railroad Ave. A motion was made by Trustee Stene and seconded by Trustee Burcham to approve the estimates from Senn Blacktop for East Railroad & Fairview \$5,225.60, East Railroad & Cty. Hwy M \$10,380, Amble & High \$6,667.25 and the Bus Garage \$7,794.00 to total \$24,882.85 with financing from the Street Maintenance and/or the Street Maintenance Fund Balance. Voting For: Trustees Best, Stene, Burcham and Prince. Voting Against: none. Motion carried.

Rescue Squad 2024 Preliminary Budget Review – No action until after Colfax Rescue Annual Meeting-Niggemann walked the Board through Knutson’s notes regarding the four budget scenarios. Option A reflects the budget with budgeting a 2% pay rate increase for the current three 30-hour staffed positions. Option B reflects the budget containing four 40-hour positions with the 2% increase vs. three 30-hour position. Option C reflects the original three 30-hour positions with a \$2.00 per hour raise as well as the casual part-time. Option D reflects the four 40-hour employees vs. three 30-hour position with a \$2.00 per hour raise. The budget scenarios are for the Board review as it will be discussed at the Ambulance Annual meeting on Wednesday, August 30, 2023 and will be brought back to the Board at a later date. No action required at this time.

Adjourn – A motion was made by Trustee Burcham and seconded by Trustee Best to adjourn the meeting at 7:26 p.m. A voice vote was taken with all members voting in favor. Meeting Adjourned.

Hi Lynn,

For Jason's properties at 202 and 204 Dunn Street, I've listed the quotes below.

- If only **ONE** property is built in 2023, the estimated total for the primary extension to serve the lot is \$2,357.36.
- If **BOTH** properties are built in 2023, the estimated total for the primary extension to serve both lots is \$1,357.36.
- The underground electric service to each lot is free as long as it's below 300ft.

This design also takes into consideration installing electric service to lots 10 and 11 as shown on the attached CSM map of the property. *Just so you're aware, I'm on PTO tomorrow (9/8) but will follow up with you Monday morning if you have any questions before your meeting..*

Please let me know if you have any questions.

Thank you,
